VOLUME XVI

APRIL 18, 1982

NUMBER 16

LOVE WASN'T PUT IN YOUR HEART TO STAY  
LOVE ISN'T LOVE UNTIL YOU GIVE IT AWAY

God gives us many kinds of special abilities, but it is the same Holy Spirit who is the source of them all. There are different kinds of service to God, but it is the same Lord we are serving . . . . The Holy Spirit displays God's power through each of us as a means of helping the entire church. To one person the Spirit gives the ability to give wise advice; someone else may be especially good at studying and teaching, and this is his gift from the Spirit.

Corinthians 12:4-8

Beginning April 25 there will no longer be Sunday School teachers for the Junior and Senior High grade level. The need for strong Christian leadership in these classes is essential for the success of a strong youth program for Duke Memorial. I recently read in a family magazine that "There are only two lasting bequests we can give our children. One is roots; the other wings." When our youth are ready to try out their wings, will their roots be deep in Christian commitment?

Our church is filled with capable youth leaders. The major qualification is a loving, caring, and sincere concern to give of yourself through Christian witness. Our youth are a vital part of the church; won't you respond? They need us.

UNITED METHODIST MEN OFFICERS FOR 1982-83

were elected at the meeting on Tuesday, 6 April 1982. Those elected are:

President, Houston Blair; vice-president (and program chairman), W. Lewis Shipp; secretary, Charles Medlin; treasurer, Robert S. Weynand. The new officers will be installed at the next meeting, 4 May 1982.

HOME COMING is only two weeks from next Sunday. The preacher for the day is Dr. James Charlesworth. The official arranger for the noon meal is Betty Brunson with the assistance of members of the Open Door Class. The official menu planners and cooks are all the members of the church! Plan your goodies, enough for your family group and at least one person more, so that you can bring them by the church kitchen Sunday morning en route to your Sunday School class or to the morning service. Then watch the miracle of multiplication like unto fishes and loaves long ago - but this time on the church lawn! Complete now the invitations to the people you would like to see here - and they'll be here - because you did - NOW!

MISSIONS SUNDAY is a rare opportunity to feel the pulse of things moving in Christian missions, overseas and at home as Julia Williams of Raleigh, president of the Conference Board of Missions, speaks to us. Following the morning service, the Christian Fellowship and Homebuilders Classes will serve a luncheon as a service to the church. After lunch, Dr. Bill Bingham, associate professor of civil engineering, N. C. State, and a recent leader of a work team to Haiti will show slides explanatory of what was done there as well as what remains to be done. Luncheon tickets are available from members of either class, at the church after the Easter service, or through the church office. The prices are \$3.00 for adults and \$1.50 for children (under 12). The luncheon proceeds will go to benefit the Conference missions program.

THANKS to the Faith and Arts Committee for the Easter Bulletin. It was seasonal, lovely and widely appreciated.

THANKS AND CHEERS to Ashley and Laine Randall, Shirley Bowman and all who worked with them to make the Seder meal on Maundy Thursday evening the delightful and instructive occasion that it was. Despite weather that was from horrible to near-disaster, attendance was encouraging and participation at a very high level. And now, next year!

THE HEALTH FAIR (sponsors: City of Medicine Program, WRAL-TV) offers only help and encouragement to all who will benefit from it. Health screenings are free and there for your taking them. Do it! South Square Mall, 16 and 17 April; W. D. Hill Center, 20 April; Northgate Mall, 22, 23, and 24 April. For your presence, you get medical services estimated to cost more than \$ 100 if obtained through a local clinic. What a bargain!
