

Report of Associate Minister

The past months have been filled with activity in the work of the church. The associate minister reports that all phases of the work for which he is responsible are going well. Church School staff and workers are diligently working and many others have participated in various phases of the work.

Along with regular duties as Associate Minister in visiting, church administration, teaching, and preaching, the following are worthy of mention:

Current Church School Staff: 75 persons recruited and working

Vacation Church School: 144 enrolled, 135 average attendance,  
114 perfect attendance with 42 workers

Junior Day Camp: 24 enrolled, 21 average attendance, 5 staff members

God and Country Award: Began March 1963 - meeting weekly, 7 enrolled,  
average attendance - 5.  
Projected date of completion of course, March 1964

Workers' Conference - Teacher Recognition Dinner - 47 present

Rally Day - Promotion Day observed - Bibles presented to 26 rising 4th graders.

MYF Retreat: 20 persons attended

Christian Workers' School Participation: 14 persons with 10 receiving  
Cards of Recognition

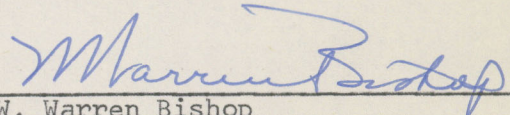

Work beyond the local church by Associate Minister:

Dean of Christian Workers' School - October 1963

On One of three counselors for MYF Subdistrict, 1963-1964

The Associate Minister appreciates deeply the concern and willingness to work of all the members of the church and church school, and their desire to be of service. Any success is to their credit. Also, the spirit of helpfulness in working with the other ministers of the Durham Area in cooperative ventures has been helpful in the success of these opportunities.

Respectfully submitted,

  
W. Warren Bishop  
Associate Minister

The past months have been filled with activity in the work of the church. The associate minister reports that all areas of the work for which he is responsible are going well. Church school staff and workers are actively working and many others have participated in various phases of the work.
