

DUKE MEMORIAL UNITED METHODIST CHURCH
REPORT TO CHARGE CONFERENCE FROM THE METHODIST YOUTH FELLOWSHIP
November 9, 1997

We are working hard to establish two separate groups for the senior high youth and the middle school youth. We are also in the process of making plans for the mission trip next summer. We are meeting to decide where we are going and to decide what fundraisers we will have.

We would also like to explore new opportunities for greater involvement in district events.

We have 36 members in the senior high class. We also have around 36 members in the middle school class. However, not everyone comes to Sunday School and youth group on Sunday nights. We are discussing new ideas for involving those who do not attend regularly.

A program that the youth has had going for the past five years is Sacred Dance. We have five young ladies who participate in this group. I am one of the dancers and I have really enjoyed dancing for my church these past five years. We also have danced twice at Annual Conference, the Women's Conference and at the State-Wide Assembly. As you can see, we have a lot of different activities in which the youth can participate in the church.
