Dear President Barris,

Thank you for your note of April 7.
As you may recall, at that time I was
inquiring about the possibility of
placement in your Department of Religion.
I am sorry that I did not reply earlier.

Since that time I have decided to
accept a position as Associate Professor
of Theology and Pastoral Care at Phillips
Theological Seminary in Enid, Oklahoma.

Thank you very much for your interest
in me, and I sincerely hope that some
occasion brings us together.

Sincerely,

Thomas C. Oden
