Dear Bill:

This is a very belated reply to your letter of September 9.

Following the recommendation of your letter I would like to elect option number 5 in the enclosed option form. Under these terms I will pay \$5.00 a month beginning January 1. (the date of the termination of my contract with Phillips).

I am aware of the fact that I still owe \$119.32 plus \$6.62 interest on the loan note no. 446. I thought this was being handled through the University budget. Please be assured, however, that I will take responsibility for this without undue delay.

I look forward to continuing as a member of the Pension Fund of Christian Churches. Thank you for your interest in me.

Cordially and sincerely,

Thomas C. Oden

Sir:

I am in a very delicate position in your interest.

I have the honor to acknowledge the receipt of your letter of the 10th of December 1970 in which you refer to the enclosed question form. In answer to your letter I will say that I have no objection to the use of the information in your report (with the exception of the names of the individuals mentioned).

I am aware of the fact that I will not receive the \$100,000 per annum of the loan from the U.S. Treasury. This fact has been handled through the University budget. Please be assured, however, that I will take responsibility for this without any delay.

I look forward to continuing as a member of the Faculty of the University of Chicago. Thank you for your interest in

Cordially and sincerely,

George C. Liden
