Brent Latham, God is Not...religious, nice, “one of us,” an American, a Capitalist (Brazos Press, ISBN #1-58743-101-7) which is available or can be ordered at area bookstores. This critique of the cultural captivity of much of North American Christianity deals with issues of discipleship and theology, and of what it means to be the church in 21st century America. This meeting will be hosted by Leslie Lobaugh (493-4418 for directions). The following month’s meeting (April 3) will discuss the short novel by the great American Catholic writer, Flannery O’Connor, Wise Blood.

Connect and Deepen (aka the Philia Class). The focus of this Adult Sunday School fellowship is the lectionary readings for the following Sunday. What this means is that we preview, dig into, and discuss the texts that will be preached on the following Sunday. For more information, contact the class leader, Carl Badger (493-4134).
