Mr. Robert Currie, Business Manager
Davidson College
Davidson, North Carolina 28036

Dear Mr. Currie,

I just wish to express my deep thanks to you and to Gail Hoke for setting me up with an apartment. It sounds ideal, and I couldn't be more grateful to you for finding it for me and seeing to the business details. If you need a "first-month's" payment to hold the apartment now, please let me know and I will send you a check immediately.

I hope to arrive between the 15th-30th of July, but I am prepared to pay any rent between now and July. Please let me know at your convenience.

Thank you again for the trouble you took to suit all my preferences. I hope every planned newcomer to Davidson has his first contacts with you and Gail.

Sincerely,

Susan Keefe
