Dear Dr. McGonagle,

I am one of the contributing authors to Carolingian Essays. Mrs. Katherine Mack, assistant to Dr. Uta Blumenthal, has informed me that by writing to you directly I may order copies of the book for \$18.16 (30% discount), postage included. Could you please send me two copies? I have enclosed a check for \$36.32.

Also, I would appreciate it very much if you could send them to the above address at California Institute of Technology as soon as possible, as I will be leaving this address at the end of July. Thank you very much.

Sincerely,

  
Susan A. Keefe
