# Committee On Memorials

Each year during the annual meeting of the North Carolina Baptist State Convention we set aside a few moments to pay our respects to the memory of our brothers and sisters who have died in the Lord. Out of this number the Memorials Committee is given the task of recommending a few saints for honorable mention in the convention *Annual*; and the even more difficult responsibility of selecting a few persons to whom the *Annual* can be dedicated.

To assist your committee in this important task we have solicited help from the Directors of Missions throughout the state. From their recommendations, and other sources, we have chosen individuals for the two categories.

At the same time we are quite aware that the final and true assessment will come from the Master himself when he will say, "Come ye blessed of my Father, inherit the kingdom prepared for you from the foundation of the world."

As we honor these departed dead, may we be keenly aware of the words of Jesus as he said, "I must work the works of him that sent me while it is day: the night cometh when no man can work."

Roger Williams, chairman

## **Nathan C. Brooks, Jr.**

Nathan C. Brooks, Jr. died November 24, 1988 at the age of 77 after serving Southern Baptists in a very effective manner for the greater part of his life.

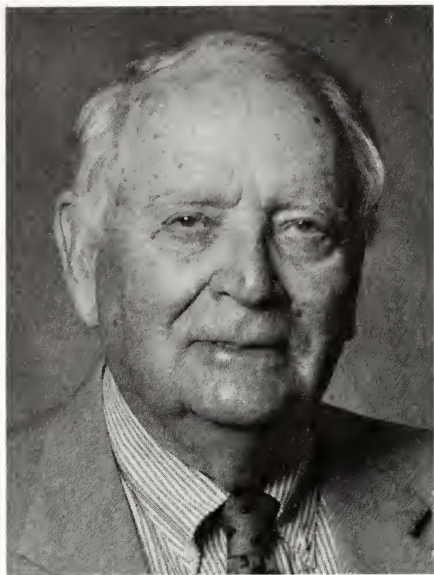

Upon graduating from New Bern High School he entered Mars Hill College, after which he transferred to Wake Forest University where he graduated cum laude in 1931. Without interruption in his pursuit of training for the ministry he entered Southern Seminary where he received his Th.M. degree in 1934. For a half dozen summers he took graduate work at Columbia University and/or Union Seminary. He never lost his zeal for learning. In 1957 Wake Forest University conferred upon him a richly deserved D.D. degree.

After serving as pastor at Bryson City he became Training Union Secretary (director) for the Baptist State Convention in 1937 where he served for six years. For the next several years he served as pastor of churches in Waynesboro, Georgia; Greenville, South Carolina; Alexandria, Louisiana; and Pensacola, Florida. Following an eight-year period as president of Carver School and a pastorate at Highland Baptist Church in Louisville he was called back to the Baptist State Convention in 1966 where he served as Director of the Division of Church Programs until his retirement in December, 1976. For the remainder of his active life he was in demand as interim pastor and discussion leader at various churches in the state. It is interesting to note that he served on the state boards while residing in South Carolina, Louisiana, and Florida. In addition he was trustee of the Alexandria Baptist Hospital.

His wife, the former Ruby Hayes of Lumberton, and their five children—Mary Kelly, Nathan, III; Frank, George, and Misa Raynor—survive. There are eleven grandchildren.

Nathan Brooks was a Christian gentleman, a sympathetic listener, a comforting counselor, and an exceptional leader in our denomination.

## **William Thomas Harris**

Born in Crisp County, Georgia, in 1909, W. T. Harris lived a life of generosity, service, and industry. His life was marked by success, evident in the growth of the Harris-Teeter Supermarket chain to more than 100 stores throughout the Carolinas.

But, Mr. Harris' life was marked more by commitment to causes greater than his own pocketbook. Wingate College was one of those causes. He served as a trustee of the college from 1957 to 1989.

Mr. Harris came on the board when there were just a few buildings comprising the campus—the college had not yet caught a second wind, financially or otherwise, that higher education needed after World War II.

In the years that followed, he not only gave financially, but persuaded others to give to Wingate out of their pocketbooks or influence so that the school could survive and thrive—which it did.

He used his own influence as a means to create a better world—not just for Wingate College, but for other schools as well. He also worked to help expand other Charlotte institutions including the University of North Carolina at Charlotte and Central Piedmont Community College, to add kindergartens to the statewide public school curriculum and to resolve the desegregation issue in the Charlotte-Mecklenburg Schools.

Mr. Harris was instrumental in the creation of Charlotte's University Research Park more than 20 years ago, because he could see that in the century to come, education and technology could be linked imaginatively through such a venture.

His work at Pritchard Memorial Baptist Church in Charlotte was just as strong and tireless. For 30 years, he served as Sunday School superintendent, and was a life deacon.

Mr. Harris' civic contributions were extensive: president of the Charlotte Symphony Orchestra Society; chairman of the Memorial Hospital Board study committee, director and president of the Chamber of Commerce; division chairman of the YWCA building fund campaign; chairman of countless charitable fund-raising drives; president of the Charlotte Merchants Association; president of University Research Park, Inc.; chairman of the Mecklenburg County Commission; and many others.

Mr. Harris accumulated many awards and recognition for his efforts in education, civic affairs, and church work. He received the Citizens Award for Outstanding Services rendered to the people of Charlotte; the Mecklenburg Bar Association's Liberty Bell Award; the Mecklenburg Kiwanis Club's Certificate of Appreciation, the Knight of the Queen City Award; the Civitan Citizenship Award; the Outstanding North Carolina Commissioner Award; and numerous service awards from Wingate College, UNC at Chapel Hill, and UNC at Charlotte. He received Wingate's first honorary doctorate degree in 1983.

## **Lewis Elwood Ludlum**

Lewis Ludlum grew up on a farm near Shallotte, N.C. That heritage always remained very much a part of who he was. He liked growing a garden and sharing its produce.

Lewis attended Campbell College and graduated from Wake Forest University in 1932. He received his divinity degree from Crozier Theological Seminary.

His first pastorate was the Beaver Dam Baptist Church in Asheville, N.C. From 1941 to 1946 he was mission developer for the Baptist State Convention, working in Jacksonville and Carolina Beach. From 1946 to 1950 he was director of missions for the Kings Mountain Baptist Association. From 1950 until his retirement in 1972 he was director of missions for the Pilot Mountain Baptist Association. He helped to start many new churches. The new office building of the PMBA is named for him.

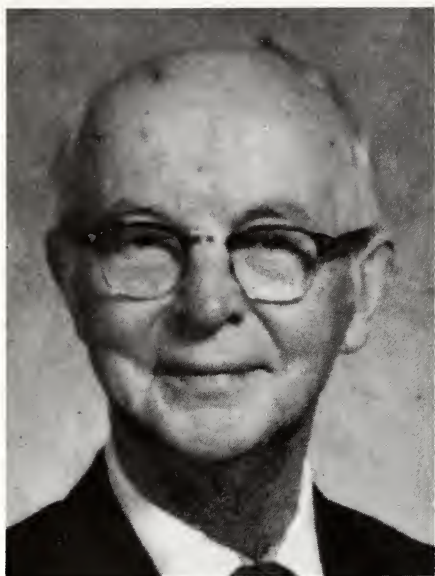

After retirement he served as chairman of the PMBA Historical Committee and as a member of the Historical Commission of the Baptist State Convention. Also, he was everywhere, serving on boards, volunteering, and sharing his creative viewpoints with all of us. His wise counsel and good humor saved many a day. Warren Carr called him "Our Merriest Prophet."

Lewis was married to Charlotte Huntley in 1939. Their son, Douglas, is organist and choir master at St. Matthews Lutheran Church in Charleston, South Carolina. Their daughter, Rebecca Speas, is a junior high school teacher in Brentwood, Tennessee. She and John have three children. Lewis loved his family. That love reached out to

unbelievable numbers of people and groups who were helping the poor or the “left out.”

In the language of Paul’s letter to the Philippians, we “will always thank God upon every remembrance” of Lewis Ludlum.

## **C. Robert Pittard**

*"How beautiful on the mountains are the feet of those who bring good news, who proclaim peace, who bring good tidings, who proclaim salvation, who say to Zion, 'Your God reigns!'"*

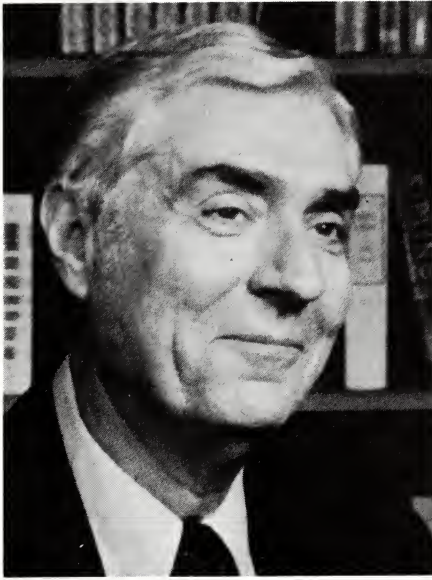

(Isaiah 52:7)

An Alabama native, C. Robert Pittard, received his B.A. from Samford University and his Th.M. and Ph.D. from The Southern Baptist Theological Seminary. His first pastorate was the Olive Chapel Baptist Church, Apex, N.C. from 1926-35. Following this he served as pastor of churches in Miami, Florida, Canton, Georgia and Albany, Georgia. In retirement, "Preach Pittard" was interim pastor of 26 churches. His last interim was at the First Baptist Church, New Bern, N.C., where he and his wife, the former Ethel Eaton, were married 63 years ago. Dr. Pittard died on Father's Day, June 18, 1989 at 92 years of age, shortly after renewing his marriage vows. In addition to his wife, he is survived by his daughter, Jo Ward of Knoxville, Tennessee.

This Southern "Gentle Man" served our Master and his denomination with distinction. He was a former trustee of Southern Seminary, the Home Mission Board and Tift College. He was noted for his keen knowledge of the Bible, his pastoral and visitation skills and his openness and acceptance of all of God's children as people of worth. C. Robert Pittard was committed to Jesus Christ, the Church, his family and community. He was a model of servant leadership to be emulated.

## **William A. Poole**

The image of William Augustus “Bill” Poole will linger long in the minds of those familiar with North Carolina Baptists’ ministry to aging persons. It is an image of a man large of frame and spirit who ministered as a pastor to those in his care as president of the Baptist Retirement Homes of North Carolina. He loved nothing better than conversations with the residents and could often be seen bending over to hold the hand of one of his friends in a wheelchair.

Bill Poole experienced a call to the ministry at age 16 in his home church, the First Baptist Church of Dunn, and found the fullest expression of that ministry in his gift of relating to elderly persons. For his 24-year tenure with the Homes his name was synonymous with North Carolina Baptists’ ministry to the aging.

He left the work as pastor of the First Baptist Church of Graham to succeed Jimmy Hayes, the first superintendent of the Homes For the Aging, as they were then called. At that time the original home, Resthaven in Winston-Salem, the Albemarle Home, and the new soon-to-be-named Hayes Home of Winston-Salem were the only ones in existence.

While serving as superintendent and then president of the Homes Bill Poole led in expansion of the ministry by establishing homes in Hamilton, Yanceyville, and Asheville. The levels of care increased until care was available from apartment living to skilled nursing.

Poole, 69, was born in Dunn, N.C. on August 24, 1920. He was graduated from Wake Forest College in 1941, a member of the first Phi Beta Kappa chapter on campus. From Wake Forest he continued his

preparation for ministry at Southern Seminary where he received a Th.M. in 1944. He began his pastoral ministry at Burgaw Baptist Church. There he met Kate Teague whom he married in 1946. He was called to be pastor of the First Baptist Church of Graham in 1952 and served until 1960 when he was called to lead the Homes For the Aging, where he served until retirement in 1984.

Prior to his death on March 23, 1989 Bill enjoyed a retirement of ministry as interim pastor. He is survived by his wife, Kate Teague Poole, and three sons, Bill, Bob and Barry Poole.

## **Fred Julius Smith**

He was a giant of a man, both in body and lifestyle. His rugged features, his husky voice, his broad smile, his love for life's tough assignments, were the hallmarks of his 73 years.

Born and reared in the Linwood community of Davidson County, Fred Julius Smith was one of 11 children born to the late Emma Trantham and Julius Marcellus Smith.

Fred's faith beginnings knew the warmth and nurture of the historic Jersey Baptist Church. Having lost his father when he was eight years of age, Fred's family and church became for him his sustenance, strength, and blessing.

An outstanding athlete in high school and at Appalachian State University, he was ever the 100 percent competitor.

While in college, he was married to Eudell Formyduval. Together, they gave 17 years of their lives in ministry through the Methodist Home in Raleigh. Fred coached all sports and served for 10 years as superintendent of their building and grounds. They left eternal fingerprints on the lives of those entrusted to their care.

The North Carolina Baptist family knew Fred Smith best through his 20 years (1957-1977) as director of the North Carolina Baptist Assembly at Fort Caswell. Fred and Eudell brought to our Assembly their creative, energetic selves and literally gave themselves to the monumental task of enlarging, renovating, and improving the facilities.

When we say "Fred Smith" we remember a man who understood that family...church...vocation shaped the foundation that would be

worthy of his total life-commitments. And he modeled them in full view for all to see. He was the ultimate team player, who would fill his position faithfully...completely.

His 20 years of ministry as assembly director were given in response to a deep sense of calling, shared by his lovely companion of more than fifty years.

And upon that dedicated faithfulness we have continued to dream and to build.

The new Conference Center Building on the Assembly campus, dedicated in September, 1989, bears his and Eudell's names.

Death claimed him on January 30, 1989. Fred is survived by his wife, two sons: Fred, Jr. and Irving, and seven grandchildren. Two sisters and five brothers survived him.

*Dewey Hobbs, Winston-Salem*

## **Bert Starnes**

The name Bert Starnes is a name well-known among Baptists and others in North Carolina. Bert lived for 91 years and most of those years were spent in his beloved Western North Carolina. He was born in Asheville and at the time of his death, July 25, 1989, lived in Waynesville where he had been for 10 years. He was a member and deacon of the First Baptist Church in Waynesville.

Bert Starnes made many significant contributions in service to Christ. He was an organizer and charter member of Grace Baptist Church in Asheville. He served several terms as Brotherhood Director of the Buncombe Baptist Association. He served on the Board of Trustees for Elida Homes for Children, Ben Lippen School and the Salvation Army. He had been a Gideon since 1953 and was involved with the Lay Witness Institution in the Baptist State Convention to the extent that he was a coordinator and has carried Lay Witness teams to such countries as England, Australia, Taiwan and Korea, in addition to doing the same in the states. Perhaps more important, he was a faithful witness in his own community.

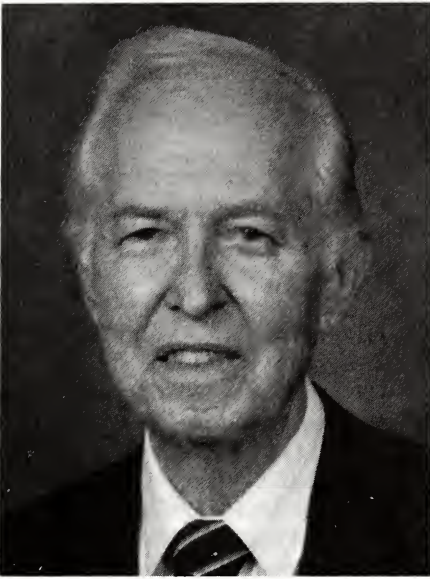

Bert was awarded the Annual Layman of the Year Award, presented November 9, 1980, at the Baptist State Convention in Greensboro.

The late Hazel Starnes, the wife of Bert for 54 years, accompanied him in his lay witness efforts. They had five children: Bert Jr., Cloyes, who serves as a missionary in Korea, Hugh, John, and Ruth. When Bert Starnes received the above mentioned award, in response he said, "After 54 wonderful years together, my late wife Hazel, and I came to the conclusion that the happiest place this side of heaven is a Christ-

centered home. The Lord blessed us with five children and now in place of one Christian home we have six, literally scattered around the world." This speaks to a major focus of his life—the family. The family devotion time was observed when the family came together—children, grandchildren, whoever. His own children and those by marriage as well as the grandchildren rise up to call him blessed.

In recent years Bert married Ethel Hammett Starnes. She also has been most active in Kingdom service. Her late husband was a Baptist minister. Bert and Ethel were side by side in their church for all services the last Sunday Bert was on this earth. He was faithful to the end.

*Hugh P. Garner, Waynesville*

## James Tull

Dr. James Tull was born on Sept. 1, 1913 in Monticello, Arkansas. He was married to the former Virginia Tompkins and there are two children, Dr. James Tull and Mrs. Anne Spector, and four grandchildren. The following degrees were awarded him by the indicated institutions: Bachelor of Arts—Ouachita College, Master of Arts—Baylor University, Master of Theology—The Southern Baptist Theological Seminary and Doctor of Philosophy by Columbia University. He served churches in Kentucky and Virginia and was a military chaplain during the Second World War. He was professor of theology at Southeastern Baptist Theological Seminary, 1955-79, and was an active member during this time of the Wake Forest Baptist Church and frequently served churches as interim pastor. Dr. Tull wrote numerous articles and was author of four books: *Southern Baptist Landmarkism*, *Shapers of Baptist Thought*, *The Atoning Gospel* and *Take the Stand: A Theology of Witnessing*. A life spent in ministry and intensive reading and study of Baptist history and thought resulted in keen insights of Southern Baptists. Students and associates appreciated his depth and clarity of thought and his faith and commitment to Jesus Christ—his Lord and Savior.

## Article I. Name

The name of this body is the Baptist State Convention of North Carolina.

## Article II. Purposes

The purposes of this Convention shall be to assist the churches in their divinely appointed mission; to promote missions, evangelism, education, social services, the distribution of the Bible and sound religious literature; and to cooperate with the work of the Southern Baptist Convention.

## Article III. Authority

While independent and sovereign in its own sphere, this Convention does not claim and will never attempt to exercise any authority over any other Baptist body, whether church, auxiliary organizations, association, or Convention.

## Article IV. Composition

This Convention shall be composed of:

A. Those messengers who have been duly elected by cooperating churches, have been duly registered by the Committee on Enrollment, and are in attendance at the annual session.

1. The number of messengers to which a cooperating church is entitled may be determined on either a numerical or financial basis:

b. On a financial basis: every cooperating church giving five percent (5%) of undesignated budget gifts through the Cooperative Program shall have two (2) messengers and one (1) additional messenger for every two percent (2%) beyond the initial five percent (5%).

2. Messengers shall be resident members of a cooperating church.

3. A cooperating church shall be one that financially supports any program, institution, or agency of this Convention, and which is in friendly cooperation with this Convention and sympathetic with its purposes and work.

All such materials shall be kept by the chairperson of the Committee on Nominations during the period of active work up to and until the time of the Convention, and all such materials received from churches and individuals shall be shared upon receipt with the particular institution involved. After this Convention has taken action on nominations, the chairperson will forward all biographical materials to the new chairperson of the Committee on Nominations.

51. With Second Vice President Cashwell presiding, James Murphy, Durham, chairman of the Resolutions Committee, expressed appreciation to members of the committee. He read Resolution No. 1 on "Race Relations and Cooperative Ministries" and moved adoption. In a voice vote, the motion carried.

WHEREAS, Scripture teaches that in Christ there is neither Jew nor Greek, slave nor free, male nor female, but all are one in Christ Jesus (Galatians 3:28); that as members of one body and followers of one Lord we are to maintain the unity of the Spirit in the bond of peace, forsaking bitterness, anger, and malice (Ephesians 4:1-6, 31); that it is a good and pleasant thing when brothers and sisters dwell together in unity (Psalm 133.1); and that our love for one another gives witness to our discipleship (John 13:55);

WHEREAS, evidences of racism have been on the rise with increased incidents and demonstrations erupting at a number of universities; increased violent confrontations in various parts of the country; and the emergence of more hate groups;

WHEREAS, since 1882 the annual meetings of the Baptist State Convention of North Carolina and the General Baptist State Convention of North Carolina have acknowledged our brotherhood and sisterhood in the fellowship and missions of Christ by sharing fraternal messengers;

WHEREAS, since 1971 the two conventions have sponsored the Joint Committee on Cooperative Ministries, which has the purpose of recommending to our respective conventions "areas of cooperative work, activities, and projects that will strengthen our common fellowship as well as advance the work of our Lord";

WHEREAS, such cooperative activities as joint conventions, evangelism programs, educational seminars, revival services, and prayer breakfasts, both on the state and associational levels, have served to increase our understanding of and appreciation for each other and to promote the work of the gospel;

BE IT THEREFORE RESOLVED, that the Baptist State Convention of North Carolina, meeting in Greensboro, November 13-15, 1989, reaffirms its commitment to mutual respect and cooperation as together we work to advance the cause of Christ, to strengthen our fellowship in the faith, to improve relationships between the races, and to demonstrate to the world the reconciling power of the gospel;

BE IT FURTHER RESOLVED, that we encourage local congregations and associations affiliated with our convention to affirm this same commitment to engage in cooperative activities at the local level through undergirding the work of the Joint Committee on Cooperative Ministries and providing a positive Christian witness to all persons of North Carolina, regardless of race.

52. Mr. Storey led the assembly in singing, "Rejoice, the Lord is King."

53. President Smith led in prayer for W. T. Harris who became ill after speaking for the Wingate name-change. (See Nos. 124, 162, 194.)

55. The president introduced Charles Allard, Morehead City, who read scripture and Dale Steele, Burlington, who preached the convention sermon, "The Integrity That Jesus Brings."

He said the integrity Jesus gives is an unbroken and complete word that is both spoken and enfleshed. With energy and determination early Christians were engaged in ministries of teaching, fellowship, breaking of bread, and prayer, an example Baptists need to follow. (Full text printed in Nov. 18, 1989 issue of the *Biblical Recorder*.)

56. President Smith announced that in accordance with request from the 1988 convention, a world hunger offering would be taken at the close of this session. (See No. 61.) Results of voting for officers were: for president, 5,232 messengers voted; Eugene Ridley, 944 or 18.04%; Billy Cline, 1,650 or 31.54%; Gene Watterson, 2,638 or 50.42%. For second vice president, 5,212 messengers voted; Bea McRae, 1,224 or 23.48%; Bruce Whitaker, 1,874 or 35.96%; Joe Lennon, 2,114 or 40.56%. Run-off election between Dr. Whitaker and Mr. Lennon will be at the afternoon session. (See Nos. 37, 39, 40, 62, 90.)

On the motion for the constitutional name change of Wingate College, 4,489 messengers voted; 1,063 for; 3,426 against. The motion failed. (See Nos. 45, 50.)

57. Vernon McDaniel, Asheboro, gave the benediction.

## **TUESDAY AFTERNOON — NOVEMBER 14, 1989**

58. The afternoon program began at 2:25 p.m. with Second Vice President Cashwell presiding and pre-session music directed by Mr. Kessler.

59. Mr. Storey led the assembly in singing, "I Am Thine O Lord" and Mrs. Cashwell led in reading scripture printed in the program.

60. Jesse Croom, Carrboro, gave the invocation.

61. President Smith announced that the world hunger offering taken at the close of the morning session, totaled \$1,849.64. (See No. 56.)

62. A ballot vote was taken in run-off elections between Dr. Lolley and Mr. Johnson for first vice president (see Nos. 29, 30, 33, 90), and Mr. Lennon and Dr. Whitaker for second vice president (see Nos. 37, 39, 40, 90).

63. President Smith opened the miscellaneous business period and requested that each speaker accept a limitation of two minutes.

64. Fred Holt, Richlands, moved changes to Bylaw I.A.; Bylaw I.B.2; Bylaw II.A.; and Bylaw IV.A.5.

Bylaw I.A. would then read: "The president shall preside over the deliberations of the convention and shall discharge such other duties as are imposed upon the president by the convention or as are incumbent upon the presiding officer of the deliberating body. The president shall, in advance of the meeting of the convention, and with the assistance of the vice presidents, appoint a Committee on Enrollment consisting of nine members, three of whom shall have served the previous year and a Committee on Committees consisting of fifteen members. These committees shall be appointed by January 31 and begin their work no later than March 1. The president may appoint other committees when so directed by the body. The president shall also serve ex-officio as a voting member of the General Board and its Executive Committee. The president shall also serve as an ex-officio non-voting member of all Convention committees."

Bylaw I.B.2 would read: "The vice presidents shall assist the president in naming those Convention committees for which the president is responsible and shall serve ex-officio as voting members of the General Board and its Executive Committee..."

Bylaw II.A would read: "Those appointed by the president and vice presidents in advance of the convention..."

65. With First Vice President Watterson presiding, Ted Stone, Durham, spoke for the motion.

66. Paul Craven, Winston-Salem, spoke against the motion.

67. Gene Burke, Kannapolis, spoke in favor of the motion.

68. David DeFoor, Apex, spoke against the motion.

69. A motion from the floor for the question, carried.

70. For clarification, the parliamentarian explained that the Holt motion would result in the Bylaws being as they were prior to changes voted by the 1988 convention.

71. A ballot vote on the Holt motion was taken after a vote by standing proved indecisive. (See Nos. 64, 123.)

72. Mr. Reid moved that time for miscellaneous business be extended 10 minutes. The motion carried.

73. Joseph R. Pittman, Rougemont, moved "That hereafter all convention meetings have a certified ambulance and certified paramedic on standby throughout the entire series of meetings to care for the medical needs of all messengers and visitors." First Vice President Watterson ruled the motion out of order since the action of a future convention cannot be bound by action taken at this convention, however, he said this instruction would be given to the 1990 program and arrangements committee with the same effect as a passed motion.

74. Mark Cortis, Winston-Salem, moved "That in the first sentence of Bylaw B.2.b., the words 'associational leadership' be deleted and add: 'churches of the appropriate associations both directly and by confirming vote of the associations in annual meeting or as the association chooses.' That in bylaw B.2.c.(3) insert 'associations' in the first and last lines." (See Nos. 76, 123.)

75. Billy Honeycutt, Rutherfordton, spoke against the motion.

76. A ballot vote was taken after an indecisive vote by holding up ballots. (See No. 123.)

“Resolved that the convention directs that: (1) The General Board or its Executive Committee consider all recommendations of the Task Force Report suggesting convention action and that it devise procedures and methods for implementing those recommendations which it decides are feasible to implement. An accounting of measures taken to implement the report should be made at the September 1990 meeting of the General Board. We further request that the findings of the General Board be published in the *Biblical Recorder* no later than October, 1990. (2) That the office of the executive director supply copies of the report to all associational offices for use in assisting local churches in analyzing and developing programs of church growth and in examining issues related to the enhancement of our image as a denomination. (3) That messengers in attendance at this convention are encouraged to take the report back to their home churches and to promote the study and understanding of the observations and recommendations of the report through church training, Baptist doctrinal studies and in other appropriate ways.” The motion carried.

79. Michael Taylor, parliamentarian, nominated Marian Grant, Raleigh, for the office of recording secretary, and Ernest Upchurch, Raleigh, for assistant recording secretary. A motion from the floor that election be by acclamation, carried.

80. Willard Finch, Winterville, trustee of the SBC Brotherhood Commission, presented a plaque to David Langford, Cary, and Richard Brunson, Cary, for their leadership in organizing relief efforts following Hurricane Hugo. He said that 11 states responded to the disaster and 350,000 meals were served in addition to counseling with the victims and other services. Mr. Langford responded with a brief report and praised the work of churches in relief efforts organized by Baptist Men in the wake of the hurricane.

81. Mr. Reid moved that time be extended 10 minutes. The motion carried.

82. James Murphy, Durham, chairman, Resolutions Committee, read Resolution No. 2 and moved its adoption: (See Nos. 89, 92, 96, 130.)

A Resolution Concerning the Foreign Mission Board  
And Katrina and Greg Pennington

WHEREAS, Southern Baptists have long treasured the historic Baptist doctrine of the autonomy of the local church; and

WHEREAS, Southern Baptist institutions and agencies are obligated to honor that autonomy; and

WHEREAS, ordination to the gospel ministry is and has always been a matter left to the discretion of the local congregation, in its freedom to determine its own life and mission under the authority of Jesus Christ, and to decide for itself whom the church will set apart and ordain to ministry; and

WHEREAS, Katrina and Greg Pennington of the Northwest Baptist Church of Ardmore, Oklahoma, were denied appointment as foreign missionaries by the Foreign Mission Board of the Southern Baptist Convention essentially because of the opposition of the Enon Baptist Association to her ordination; and

WHEREAS, a subcommittee of the trustees of the Foreign Mission Board rejected the enthusiastic and unanimous recommendation of the Board staff, and valued the protests of an association over the autonomy of a local congregation;

BE IT THEREFORE RESOLVED, that the Baptist State Convention of North Carolina, meeting at Greensboro, November 13-18, 1989, express to the trustees of the Foreign Mission Board our regret and concern that cherished Baptist principles and our heritage of cooperative missions have been disregarded.

BE IT FURTHER RESOLVED, that in respect for congregational autonomy and in the interest of cooperative missions, we urge the trustees to reconsider the appointment of Greg and Katrina Pennington as Southern Baptist missionaries under the Foreign Mission Board.

83. Steve Hardy, Burlington, trustee of the Foreign Mission Board, spoke against the motion.

84. J. H. Daniels, Stovall, spoke in favor of the motion.

85. Robert Jackson, Mooresville, spoke against the motion.

86. Paul Craven, Winston-Salem, spoke in favor of the motion.

87. Phil Beavers, Yadkinville, spoke against the motion.

88. A motion from the floor for the question, carried.

89. A vote by holding ballots high was indecisive so a ballot vote was taken. Messengers were asked to retain their marked ballots so they could be used again in later balloting, due to the shortage of ballots in the hands of messengers. (See Nos. 82, 92, 96, 130.)

90. Mr. Reid called for the order of the day. President Smith reported that in run-off voting for first vice president, 4,306 messengers voted, Mr. Johnson 2,103 or 48.84%, Dr. Lolley, 2,201 or 51.16%. Dr. Lolley was declared first vice president. (See Nos. 29, 30, 33, 56, 62.)

For second vice president, 4,289 messengers voted in the run-off: Mr. Lennon, 1,988 or 46.35%; Dr. Whitaker, 2,301 or 53.65%. Dr. Whitaker was declared second vice president. (See Nos. 37, 39, 40, 56, 62.)

91. Mr. Storey led the assembly in singing, "He Lives."

92. On a point of order, Randy Huckabee, High Point, questioned the wisdom of the chair at leaving the ballots on Resolution No. 2 on the floor after the period for resolutions was closed and said that on

an issue so close, others could come in and mark their ballots; therefore, these ballots should be collected. Vice President Watterson asked for a sense of the body and the ballots were collected. (See Nos. 82, 89, 96, 130.)

93. In a special report of the North Carolina Baptist Foundation, Edwin Coates, executive director, introduced Robert D. Howard, Whiteville, chairman, board of trustees, who introduced members of the board and spoke briefly. Mr. Coates introduced staff members and presented a video portrayal of work of the Foundation.

94. With Vice President Watterson presiding, Mr. Holt was recognized for continuation of the General Board's report and consideration of the proposed budget. He outlined the role of the budget committee and introduced its chairman, Bruce Anthony, Greensboro.

95. Dr. Anthony gave a special presentation of the 1990 proposed budget in the hands of messengers using video and speakers: Mack Roberts, Hendersonville, evangelism; Mack Goss, Winston-Salem, retirement homes; Amanda Carroll, Clayton, campus ministries, and Po Chung Pac, Fayetteville, language ministries. Dr. Anthony moved adoption of the budget as printed. (See. Nos. 98-122.)

96. On a point of order regarding the vote on Resolution No. 2, Bill Smith, Hickory, said that "since the chairman on order of business had called the order of the day, the presiding officer had announced the order of the day and proceeded with the order of the day prior to collecting the ballots on Resolution No. 2, sufficient cloud is cast over the validity of the outcome whatever it may be." He asked the chair to "consider the possibility of declaring that ballot invalid...a significant number of messengers, in good faith that the ballots would not be collected because the order of business had been called, had left the hall; that the course of wisdom and courtesy toward those messengers present who voted and the messengers who left would be to declare that ballot invalid and at a subsequent meeting of this convention at which the resolution work is to be continued, the question be put afresh and a new ballot be taken and collected at that time; that there be a ruling on this before announcement is made on the outcome of Resolution No. 2 so that it will not be or become a partisan issue."

First Vice President Watterson responded that the chair would rule on this in the evening meeting. Bill Smith asked that the time for resolutions and general business for the evening be announced since it does not appear in the printed order of business. Dr. Watterson ruled the point of order out of order and stated the matter would be considered and a ruling announced at the evening meeting. (See No. 82, 89, 92, 130.)

97. Mr. Reid moved that time for the order of business be extended 15 minutes. The motion carried.

98. Marion N. O'Quinn, Fuquay-Varina, moved "that of the funds allocated in the budget to the Council on Christian Life and Public Affairs, no less than ten percent shall be used by the Council to demonstrate opposition to abortion on demand through their communications, literature and personnel." (See No. 102.)

99. Dr. Anthony spoke against the motion.

100. A motion from the floor for the question, carried.

101. On a point of order, Ronald Hester, Franklinville, asked if a quorum were present. The chair ruled that the point is not well taken; that the practice of the Convention is that a quorum is composed of those present and voting.

102. With ballots held high, the O'Quinn motion failed. (See No. 98.) Call from the floor for a ballot vote was denied since official observers declared the margin by which the motion failed was 5 to 1.

103. Joey Faucette, Wilmington, moved "That the portion of the Baptist State Convention of North Carolina budget that would otherwise go to the Public Affairs Committee of the Southern Baptist Convention be retained and be channelled to the Baptist Joint Committee on Public Affairs." (See No. 106.)

104. Dr. Anthony spoke against the motion.

105. A motion from the floor for the question, carried.

106. In a voice vote, the Faucette motion failed.

107. Mr. Reid moved that time be extended 5 minutes. The motion carried.

108. Dick Monteith, Raleigh, moved "That the portion of the Baptist State Convention of North Carolina budget that would otherwise go to the Christian Life Commission of the Southern Baptist Convention be retained and be channelled to state missions causes to be determined by the General Board of the Baptist State Convention of North Carolina." (See No. 111.)

109. Dr. Anthony spoke against the motion.

110. A motion from the floor for the question, carried.

111. In a voice vote, the Monteith motion failed.

112. David Martin, Cary, moved that \$5,000 be taken from budget allocations to the Baptist Joint Committee and added to the Ministers' Emergency Reserve Fund.

113. Dr. Anthony spoke against the motion.

114. A motion from the floor for the question, carried.

115. In a voice vote, the Martin motion failed.

116. John Hewett, Asheville, moved that discussion cease and voting on the budget take place immediately. The motion failed.

117. Stanley Hare, Yanceyville, moved "that the Convention freeze its Cooperative Program giving to the N.C. Baptist Retirement Homes as allocated in the budget until trustees of the Homes come into compliance with the budget as presented which stipulates that Cooperative Program giving goes to the Retirement Homes, plural, and not to a single Retirement Home." (See No. 120.)

118. Bill Stillerman, president, Baptist Retirement Homes, spoke against the motion.

119. A motion from the floor for the question, carried.

120. In a voice vote, the Hare motion failed. (See No. 117.)

121. A motion from the floor for the previous question, carried. (See No. 95.)

122. In a voice vote, the Anthony motion to adopt the budget carried. (See No. 95.)

123. Mr. Reid announced changes in the evening schedule to include certain items of business not finished during the day.

President Smith reported that the vote on the Holt motion was: 2,198 against, 2,058 for, thus the motion failed (see Nos. 64, 71). The Corts motion passed with 2,101 votes for, or 50.17%, and 2,087 against, or 49.83% (see Nos. 74, 76).

124. President Smith announced that William Thomas Harris, 81, died at 1:20 p.m. at Moses Cone Hospital of a ruptured abdominal aortic aneurysm. He was 81 years old. He was stricken after speaking for the Wingate name-change. (See Nos. 53, 162, 194.)

125. Following a period of silent prayer for the family of Mr. Harris, J. D. Harrod, High Point, gave the benediction.

## **TUESDAY EVENING — NOVEMBER 14, 1989**

126. Pre-session music by the North Carolina Baptist Brass Ensemble with Mr. Davidson directing, began at 6:50 p.m.: “My Faith Looks Up to Thee”—Bulla; “Marching to Zion”—Curnow; and “It is Well”—Kirkland.

127. Second Vice President Cashwell introduced Dot Allred, Gastonia, for the invocation. She closed with prayer for the family of W. T. Harris, Sara Ann Hobbs, Raleigh; and Southern Baptist missionaries.

128. President Smith introduced Dr. Carlton Mitchell, Winston-Salem, for the Historical Committee’s report. Dr. Wayne Caldwell, chairman of the Committee on Baptist Publications, announced awards to Mary Jane Wright, Atlantic Association, first place, associational histories; Harvey O. White, Hopkinsville, Kentucky, first place, and Daniel Merritt, Boonville, second place, biographies; Wayne Caldwell, Candler, first place, Lene Morgan, Spring Hope, second place, church histories; and Mildred Miller, Oakdale Church; Murray Andrew, First Church, Siler City; Charles Norwood, First Church, Goldsboro; Linda Tomblin, Pleasant Grove Church; Faye R. Abernathy and Loree W. Greenhill, Penelope Church, Hickory; and Edna L. Moore, Love Memorial Church, Goldsboro. Churches celebrating 200th anniversaries are: Cane Creek, Mount Zion Association; Colerain Church, West Chowan Association; Grassy Knob Church, Brier Creek Association; and Mountain Creek Church, Green River Association.

129. Mr. Storey led the assembly in singing “Amazing Grace.”

130. First Vice President Watterson ruled that the point of order regarding Resolution No. 2 (see No. 96) was properly ruled out of order because a point of order should be raised during consideration of a particular matter. The ballot was not collected because a second ballot was anticipated. The parliamentarian advises that a messenger to the convention leaves at his/her own peril. It is the responsibility of the messenger to remain in the building during the session in which business is being conducted. Votes taken on Resolution No. 2 totalled 2,875 which indicates a strong quorum present. Therefore, results of balloting on Resolution No. 2 are: against, 1,648 or 57.32%; for, 1,227 or 42.68%; thus the motion failed. (See Nos. 82, 89, 92, 96.)

131. J. W. Hutchens, Cary, director, Division of Evangelism, was introduced for a special report on Evangelism/Stewardship. A video was shown and speakers were A. L. McGee, Wilmington; Olin D. Hefner, Red Springs; John A. Grant, Monroe; O. D. Martin, Jr., Cary; Curtis Barbery, Bennett; John Brady, Ellerbe; and David Meeks, Fayetteville. A covenant "Declaration of Commitment" to the Witnessing/Giving Life program was read by O. D. Martin, Jr. and signed by Leon Smith, president; Roy Smith, executive director; J. W. Hutchens, director, Division of Evangelism; and O. D. Martin, director, Stewardship Division.

132. Mr. Storey led the assembly in singing, "Glorious is Thy Name."

133. With President Smith presiding, Mr. Holt was recognized for continuance of the General Board's report. He presented and moved adoption of the following recommendation to restore three individual offerings consolidated in 1979, the change recommended because of a sharp decrease in the combined offering:

"That the offering structure for the Social Service Institutions be changed from one single offering in May of each year (receipts to be divided among all three social service institutions) to three separate offerings, effective in January, 1991. If they prefer, Social Service institutions will be given the privilege of returning to their previous offering dates as follows: a. Baptist Hospital—Mother's Day; b. Children's Homes—Thanksgiving; c. Retirement Homes, February."

134. Cleve Wilkie, Kinston, spoke in favor of the motion.

135. In a voice vote, the motion carried.

136. Mr. Holt recognized Mr. Raynor to continue the report of the Constitution and Bylaws committee. He introduced Lamar J. Brooks, Wilmington, committee member.

137. Mr. Brooks presented proposed constitutional changes in Art. IV and moved adoption (changes in bold). In a voice vote, the decision was not clear so vote was taken by standing. The motion carried by the required two-thirds majority.

#### Article IV. Composition

**This Convention shall be composed of:**

**A. Those messengers who have been duly elected by cooperating churches, have been duly registered by the Committee on Enrollment, and are in attendance at the annual session.**

**1. The number of messengers to which a cooperating church is entitled may be determined on either a numerical or financial basis:**

**a. On a numerical basis:** every cooperating church shall be allowed two (2) messengers and one (1) additional messenger for every one hundred (100) members or major fraction thereof, beyond the first one hundred (100) members.

**2. Messengers shall be resident members of a cooperating church.**

3. A cooperating church shall be one that financially supports any **program, institution, or agency of this** Convention, and which is in friendly cooperation with this Convention and sympathetic with its purposes and work.

4. No church shall be entitled **under any circumstances to elect** more than ten (10) messengers; and

138. Mr. Raynor read proposed changes (in bold) in Art. VIII.A.7.8. and moved adoption. (See Nos. 142, 154.)

7. In the event a **member moves** from the association or region in which **he/she resided when elected, to some other area of North Carolina, he/she shall continue to serve out his/her term on the General Board as an at-large member; and another person shall be elected, time permitting, from the area of that association or region in the manner described in paragraph 8 below.**

The membership of those moving from the state shall be terminated upon the date of the move from the state.

In the event a member **is absent from three (3) consecutive meetings of the General Board** without giving due notice of the absence **in advance to the Recording Secretary of the General Board**, the membership shall immediately terminate.

**8. Any vacancy on the General Board occurring between annual sessions of this Convention shall be filled, time permitting, by the General Board upon the recommendation of the Committee on Nominations.** Those elected shall serve through the remainder of the calendar year. **This Convention shall at its next annual session fill the vacancy for the unexpired term upon the recommendation of the Committee on Nominations.**

139. Dade Sherman, Monroe, spoke against the motion.

140. Mr. Raynor spoke for the motion.

141. Tom Ogburn, Raleigh, spoke against the motion.

142. When a standing vote was not decisive, a ballot vote was taken. (See Nos. 138, 154.)

143. Mr. Raynor read the following proposed addition to Bylaw IV.B.4.a.(1)(e) and moved adoption:

**No new position shall be created on the General Board staff until this Executive Committee has received a comprehensive economic impact study for that position and has decided that it is economically feasible.**

144. Steve Hardy, Burlington and Tommy Culpepper, Beaufort, asked for clarification and Mr. Raynor responded.

145. David Odom, Hickory, committee member, further clarified the motion.

146. In a voice vote, the motion carried. (See No. 143.)

147. Mr. Raynor proposed that a new bylaw be adopted to clarify the matter of a quorum. The practice has been that a quorum is the messengers present and voting at the time a vote is taken. He moved this addition to the Bylaws:

“Art. X. Quorum. The quorum of this convention shall be the number of registered messengers present at any session of the annual convention.” In a voice vote, the motion carried.

148. First Vice President Watterson introduced Robert Blanton, Sylva, for the benediction to follow the address of the executive director.

149. The convention staff choir presented special music directed by Mr. Storey and accompanied by Mr. Reich: “God of Love”—Wilson; “God, Our Author and Creator”—Butler; and “Oh What a Wonder It Is”—Whitney/Brown-Ledoux.

150. At 9:25 p.m., Dr. Smith gave a 5-minute summary of his address.

He said he wished to affirm that there is good news—Baptists are alive and well in North Carolina; 1989 was a year of unprecedented growth and development in Baptist life. The Children’s Homes moved into a second century of ministry and service with creative and expanded care ministries. The Hospital experienced unusual growth and continues to be a pace setter. The Retirement Homes moved into new facilities at Brookridge with expanded ministries for senior citizens. Baptist colleges and universities are continuing to expand. The Foundation has had one of its greatest years of growth. The *Biblical Recorder* continues to tell the story of Baptist people. Fruitland has installed a new president. The past year has been a time of unusual growth in mission and outreach ministries through the General Board programs. Church Extensions reported 44 Anglo church starts with seven new language missions. Military ministries are being updated and revitalized. Caswell’s development is seen in the dedication of the Fred and Udell Smith Conference Building. These ministries have grown in spite of failures of the Cooperative Program to keep pace with budget needs. Gifts to foreign, home and state missions have set new records this year.

He closed with three imperatives: 1. that cooperation is more important than fellowship; 2. that the strength of the denomination is not in institutions and agencies but in the local churches; and 3. whatever is accomplished of eternal significance will not be determined by the correctness of philosophical, theological or ecclesiological positions but in fulfillment of the Great Commission.

151. Mr. Blanton gave the benediction at 9:30 p.m.

## **WEDNESDAY MORNING — NOVEMBER 15, 1989**

152. Pre-session music began at 8:30 a.m. with Mr. Keesler and Mr. Reich presenting “Psalm 121”—Leo Sowerby; and “Jesu, Joy of Man’s Desiring”—J. S. Bach.

153. Second Vice President Cashwell presented Nancy Wilkie, Kinston, for the devotional, “Sharing the Dream/Ministry with Integrity...In the World.”

She said that Jesus outlined the geographical area of missions as the entire world. She gave illustrations of how Baptists carry out missions through prison ministries, help to needy families, and in foreign

countries, drilling wells, building roads and bridges and in countless other ways participating in world missions with integrity.

154. President Smith reported that voting on the Raynor motion on Article VII.A.7.8. was 590 for, or 59.30%; 405 against, or 40.70%. The motion failed because it did not reach the required two-thirds majority. (See Nos. 138, 142.)

155. Mr. Holt was recognized for continuation of the General Board report. He presented a recommendation from the General Board that nominations for trustees of the Convention for 1990 be: Gerald Arnold, Fuquay-Varina; David Britt; Raleigh; and Gayle Parker, Raleigh. He moved that they be elected. The motion carried.

156. Mr. Holt paid tribute to the work of the Long Range Study/Planning Committee and introduced James Hamblen, Winston-Salem, who discussed the report in the hands of messengers and moved its adoption. The motion carried.

157. Curtis Barbary, Bennett, was recognized for the report of Fruitland Baptist Bible Institute. He said that the Board in September elected Mack Roberts, Fayetteville, as new president. Mr. Roberts spoke briefly. Mr. Holt paid tribute to the selection of Mr. Roberts and the convention responded with applause.

158. Corbin Cooper, director, Department of Cooperative Ministries and Seminary Extension, reported on a new study guide for work with the military and recognized three men who made the guide possible: Larry McClure, New Bern; Jerry Richards, Cary; and Don Hadley, Havelock. Copies of the new guide were presented them in appreciation for their contributions to the project.

159. Richard Smith, director of Business Management, gave the following financial report: That as of Nov. 6, 1989 there was a 3.35% increase in Cooperative Program receipts for the year; there was a short-fall of \$773,544 or 3.23% in meeting the budget; that foreign missions increased 62.42%, home missions 7.50%, and world hunger, 11.49%. He reported that including undesignated and designated contributions, Homes & Hospital offering increased 4.37% over last year, Children's Homes 9.84%, Retirement Homes 46.43% and Hospital, 6.13%. State missions increased 8.95% over last year, Heck-Jones 2.18% and Christian Higher Education 7.82%. Borrowed for Caswell Conference Center was \$500,000. Indebtedness at the end of October was \$2,359,409 with \$257,284 available to apply on it. The overall cash flow for 10 months ending October 31 resulted in a cash increase of \$167,230.

160. Mr. Holt reviewed briefly the printed report of the General Board and the make-up and organization of the Board. Retiring members were recognized along with current members of the Board, thus concluding the report of the General Board.

162. President Smith read a statement from Paul Corts, president of Wingate College, eulogizing the life of W. T. Harris. By common consent, the recording secretaries were instructed to send a telegram

of condolence to the family of Mr. Harris. The assembly was led in prayer by President Smith. (See Nos. 53, 124, 194.)

169. Al Roberts, Burlington, moved "That the newly elected president of the Baptist State Convention be empowered to appoint a study committee which will immediately begin studying ways in which our convention meeting schedule will be made more advantageous for the involvement of our lay people. The proposal resulting from this study will be presented to the convention next year." The motion carried.

170. Mike Queen, Wilmington, moved "That the Baptist State Convention officers and executive director be directed to request of the Foreign Mission Board and the Home Mission Board their official policies with regard to the appointment of women and divorced persons to mission appointments. We further direct these officers to inquire of the six Southern Baptist seminaries their policies regarding the appointment of women and divorced persons to their faculties, as well as their policies regarding the theological and doctrinal perspectives of prospective faculty members. We further request that the results of these inquiries be published in the *Biblical Recorder* and to the Baptist State Convention in session in 1990."

171. Steve Hardy, Burlington, spoke against the motion.

172. Paul Kennedy, Winston-Salem, spoke for the motion.

173. A motion from the floor for the previous question, carried.

174. With ballots held high, the motion carried.

175. T. A. Lineberger, South Mountain Association, asked that Baptists be involved in global prayer to evangelize the world, praying especially each morning at sunrise.

176. Gray Smith, Pollockville, moved "That the leadership of the 1990 convention carry out the stated intentions of this request regarding the 1990 annual meeting of the North Carolina Baptist State Convention and urge that (1) All nominations placed by messengers be placed without employing the name of God or implying that the nominee is God's choice for election. (2) The leadership allow only one ballot to be used for each ballot vote and that ballots be collected immediately following each ballot vote. (3) The leadership encourage debate from the floor microphones instead of debate from the moderator's platform." The chair ruled the motion out of order since it would bind the actions of another convention, but the remarks were received with appreciation and will be complied with as much as possible.

177. Susan Parrish, Burlington, moved that the woman involved in the Foreign Mission Board action that resulted in the resolution on divorced persons be permitted to speak before voting on the resolution. The motion was ruled out of order.

178. Roy Smith, executive director, presented a plaque of appreciation to E. Leon Smith for his two years' service as president. The president responded with an expression of appreciation for the opportunity of serving and recognized his wife, Martha, for her important contribution to his presidency. The assembly responded with applause.

179. James Murphy, chairman of the Committee on Resolutions, read Resolution No. 3 and moved its adoption. (See No. 183.)

WHEREAS, the gospel of our Lord Jesus Christ is a word of healing for the broken and a word of grace for the sinner; and

WHEREAS, our Lord called persons to new lives of discipleship and ministry, regardless of the previous circumstances of their lives; and

WHEREAS, the Church is called to be the Body of Christ, embodying this word of grace and living out this hope of new life; and

WHEREAS, the policy of the Foreign Mission Board and the Home Mission Board excludes divorced persons from appointment as missionaries and refuses reappointment to those persons who have become divorced while serving, regardless of the circumstances involved;

BE IT THEREFORE RESOLVED, that the Baptist State Convention of North Carolina, meeting at Greensboro, November 13-15, 1989, request that the Foreign Mission Board and the Home Mission Board reevaluate their policies regarding the consideration of divorced persons for appointment or reappointment.

180. Collis Hill Charlton, Trinity, spoke for the motion.

181. Gregory Dry, Peachland, spoke against the motion.

182. Joey Faucette, Wilmington, spoke for the motion.

183. In a vote by standing, the chair ruled the motion passed overwhelmingly.

184. Mr. Murphy read Resolution No. 4 and moved its adoption. (See No. 190.)

WHEREAS, North Carolina Baptists have always maintained a fraternal relationship with Southeastern Baptist Theological Seminary by virtue of its location in our state; and

WHEREAS, graduates of that seminary serve as ministers in many of the churches in our state and serve on the staff of many of the state convention agencies; and

WHEREAS, Baptists have historically and traditionally supported free and open debate and discussion in matters of faith and practice;

BE IT THEREFORE RESOLVED, that we, the messengers to the 1989 annual meeting of the Baptist State Convention of North Carolina, in Greensboro, express our support for faculty members, administrators and trustees who seek to preserve academic freedom at Southeastern Baptist Theological Seminary;

BE IT FURTHER RESOLVED, that while we express our continuing concerns for the future of the Seminary, we encourage the faculty, administration and trustees to make every effort for a peaceful resolution of the institution's problems according to the guidelines of the concerned accreditations agencies: the Association of Theological Schools (ATS) and the Southern Association of Colleges and Schools (SACS).

185. Ralph Webb, Greensboro, moved an amendment to add to paragraph four the words: "without doubting or discrediting or denying any part of Scripture as divinely inspired and trustworthy at Southeastern Baptist Theological Seminary."

186. Roy Queen, Lexington, spoke against the motion to amend.

187. Mr. Reid stated that time for this order of business had expired and requested that vote be taken on this resolution and the order of the day resumed.

188. A motion from the floor to extend the time 5 minutes, failed.

189. In a voice vote, the Webb motion to amend failed.

190. In a vote by standing, the motion to adopt Resolution No. 4 carried. (See No. 184.)

191. Mr. Murphy stated that a resolution regarding dental coverage for pastors reached the committee too late to be considered and would be passed on to the Executive Committee of the General Board.

192. Horace Hamm, Fuquay-Varina, member of the Foreign Mission Board, reported for the Board that the issue of appointing/reappointing divorced persons has been reexamined and thoroughly studied; that the report on that study will be presented to the Board at its December meeting and voted on at the February meeting; and that the report supports the traditional stand of the Board on divorce. He spoke personally about his concern for hurting persons and asked for prayer.

193. With Second Vice President Cashwell presiding, John Reid, chairman, Program/Place/Preacher Committee presented a

recommendation that the convention be held in Winston-Salem in 1990 and in Asheville in 1991; and that James Jarrard, Wilson, preach the 1990 convention sermon with Marion Lark, Henderson, alternate. He moved adoption and the motion carried.

194. Roger Williams, Winston-Salem, chairman, Memorials Committee, with committee members, read names of persons to whom the committee recommends dedication of the annual: W. T. Harris, Nathan Brooks, Lewis E. Ludlum, Fred J. Smith, C. Robert Pittard, William A. Poole, James Tull, Bert Starnes. Others memorialized were John Carlton, Wake Forest; Joe B. Church, Valdese; Wesley Crowe, Asheville; Roby Fore, Cerro Gordo; John S. Garner, Lumberton; Lloyd W. Hendrix, Murphy; Russell Hinton, Shelby; Carl Hooks, Whiteville; Mrs. Mezini Jacobs, Pembroke; Willoughby Jones, Pembroke; Dr. and Mrs. Forrest Mixon, Chapel Hill; John A. Reavis, High Point; Frank Robinson, Raleigh; Alfred Stancil, Rocky Mount; Mrs. John E. Weems, Raleigh; Harold West, Raleigh; Barry Jordan, New Bern, and Mrs. Virginia Watherie, Newport. Inspirational music was presented by Hall Shoemaker and Elaine Rogers. Mr. Williams led the assembly in a prayer of dedication and moved adoption of the report. The motion carried.

195. Mr. Storey expressed appreciation to Mr. Keesler and Mr. Reich, accompanists for music during the convention, and to persons responsible for operating the sound, lights and staging: Roger and Susan Ward, Randy Durham, Keith Brown, Kenny Conyers and Cynthia Carpenter. He then led the assembly in singing, "Jesus Saves."

196. President Smith expressed appreciation to Mr. Storey for his services with the music and introduced Dr. William E. Hull, Samford University, Birmingham, Ala., for the closing message, "Baptist Mandate in History and Purpose in the World."

197. Special music was presented by the Singing Churchmen: "Holy, Holy, Holy"—arr. Sjolund, and "God of Our Fathers"—arr. Sjolund.

198. Dr. Hull traced the history of Christianity from the Protestant Reformation and said Baptists were a revolutionary vanguard, putting individuals over institutions, commitment over conformity, autonomy over authority and experience over establishment. He said Baptists should resume the freedom movement, seeking those yearning for emancipation from the rigidities of modern life, lack of education, prejudice and discrimination, frustration from a stagnated economy without a chance for productive work, permanent homelessness, and a collective business culture that offers prosperity at the price of captivity. He said that if the Berlin Wall could not stand before the German people who wanted freedom, no wall will withstand the passion of Baptist people for spiritual freedom. Baptists should be done with walls in the temple that divide and offer a weary world a demonstration in word and deed of open-ended access to God through the blood of Jesus Christ.

199 The newly-elected president and vice presidents with their wives were recognized and President Watterson asked for prayers as they undertake their new duties.

200. At 12:10 p.m., Jackie Brinkley, Ahsokie, gave the benediction and the Convention was adjourned.

# General Board Report to the Convention

The 116 Convention-elected members of the General Board serve as the "Convention ad interim," and are charged with the responsibility of "general supervision" of the institutions and agencies and with directing the work of the General Board staff and programs.

The three required meetings this year were held on Jan. 24–25 at Caraway Conference Center; May 23–24 at Meredith College and Sept. 26–27 at North Carolina Baptist Assembly (Caswell) in the new Conference Center.

The Board's 10 subcommittees are: Business Management; Christian Higher Education; Christian Life and Public Affairs; Christian Social Services; Church Programs; Communications; Evangelism; Missions; Stewardship and Youth and Campus Ministries. These committees meet on a regular basis three times a year and are available for special called meetings as needed.

The Executive Committee, composed of 20 members, is the "General Board ad interim," and meets nine times a year. This group serves as a personnel committee, budget committee, and plans and policies committee for the General Board and the Convention.

## **The 1989 Executive Committee and General Board heard reports on and considered the following business items:**

1. Authorized J.W. Hutchens to work with the new emphasis called "Witnessing Giving Life." This follows the "Planned Growth in Giving" directed by Dr. Cecil A. Ray, who has now retired. Mr. Hutchens will work with the Home Mission Board and the Stewardship Commission to coordinate this emphasis during 1990–1995.
2. Authorized the Minister Support Advisory Committee to extend the time for administering the "Ministers' Emergency Assistance Fund" in special hardship cases from 13 weeks to 26 weeks. Time extensions will be at the discretion of the Minister Support Advisory Committee.
3. Approved the appointment of the President's Task Force on Growth and Witness of North Carolina Baptists. Recommendations from this Task Force are printed elsewhere in this report.
4. Adopted the following statement presented by the Youth and Campus Ministries Committee regarding the BSU Center property on the UNC-G Campus in Greensboro: "We, the General Board, endorse the concept of creating a new non-profit corporation with Methodists, Lutherans and Presbyterians to which the Baptist State Convention might transfer title of the land and building owned at the University of North Carolina at Greensboro. In order to make possible a building, land and

money exchange with the university, we authorize the staff to continue to negotiate with these denominations in establishing this corporation, and we request that a report and/or recommendation be brought to the May meeting of the General Board."

In May, the Youth and Campus Ministries Committee reported that the UNC-G matter regarding property was about to be resolved.

This Committee also reported the Youth and Campus Ministries Division had commissioned a Task Force to study the needs of students in the Raleigh area and the funds had been allocated by the Executive Committee for this project.

5. Approved the installation of 3M Silverlux reflectors by EnerDyne in all the offices in the Baptist Building. Estimates indicated approximately \$10,000 a year will be saved in electric bills.

7. The General Board voted in May to approve the Special Social Service Study Committee's recommendation that the Social Service Institutions' return to separate special offerings beginning in 1992 with preference given to former dates identified for these offerings.

The Special Committee also recommended that the share of Cooperative Program funds for the social service institutions be increased. This recommendation was referred to the Budget Committee for study in light of the total needs of N.C. Baptists.

8. The Special Substance Abuse Committee reported on their recommendation to employ a person to fill the new position, director of the Department of Substance Abuse, assigned to the Council on Christian Life and Public Affairs by the Convention. Joe Jones, an associate in the Church Extension Department, was selected and approved for this position. Although not a new field, this was a new assignment to the Council on Christian Life and Public Affairs. Under Dr. Jones' direction, an annual seminar on Substance Abuse will be conducted. This year it was held at Caraway Conference Center on Oct. 15. Keith Miller was the keynote speaker.

9. The Special Committee on Wingate Affairs met early in the year to study the Wingate College Trustees' announcement of intention to change the name of Wingate College to Charles Cannon University. The Special Committee studied the proposal intensively and negotiated with Wingate College trustees and administration. The Executive Committee heard their report in May and recommended that the General Board present the request to change the name of Wingate College to Cannon-Wingate University to the Convention "without prejudice." This change must be validated by a two-thirds vote of approval by the Convention in annual session. This action implied that the name change involves a change in the Convention's Constitution (Article IX, A, 1 and must be treated as any other Constitution amendment).

The Executive Committee further recommended that the General Board show its support for our trustee system by thanking the Wingate trustees for their decision on May 4 to cooperate with the Convention's

established process.

# Minister Support

Efforts continue to be made to help churches and ministers have a plan for retirement. Each church is encouraged to be a responsible employer and to make every effort to see that its minister(s) participate by providing the church's contribution to the plan for those who serve the Lord in that church. It should be a condition of calling, both for the church and the minister, that the minister be covered. It is protection—both for the church and the minister.

The Southern Baptist Annuity Board continues to “blaze” trails in its effort to “serve those who serve the Lord”. The effort put into planning and promoting the Expanded Church Annuity Plan continues to bear amazing results which will multiply many fold down through the years.

This is what is happening in North Carolina:

- There have been 27 new members enrolled in the retirement plans during period April 1–June 30.
- There have been 61 plan upgrades during this period.
- There are now 2,162 North Carolina churches and associations contributing to retirement plans.
- North Carolina has 1,936 signed Cooperative Agreements. (More than any other state.)
- The number of churches participating at the old Plan A level of \$33.34 has **decreased** from 439 to 92.

The average annuitant in North Carolina receives \$249.96 per month, up from \$234 last year.

- North Carolina has 3,406 members making contributions to Annuity Board retirement plans.
- There are 1,764 annuitants receiving benefits each month in North Carolina—\$440,929.89 each month!

It is exciting to think about what has been done to help ministers retire with dignity. Strong efforts have been made to make all of our churches (and ministers) aware of the opportunities and the need to act on them.

But there is still so much to be done! Consider these facts:

- Only 64 percent of the churches are participating in our retirement plans—even after all these years of opportunity.
- Of this 64 percent, many do not actually make contributions. The minister does this on his own.
- Small contributions make the annuitant's benefits small:

In North Carolina

- 184 receive less than \$50
- 493 receive less than \$100
- 1,006 receive less than \$200
- 1,287 receive less than \$300

Minister Support is not only concerned with Annuity Board plans for retirement and insurance, but works with ministers who are open to consideration of a new place of ministry and with churches who are looking for ministers. Training is offered Minister Search Committees as they begin

the task of finding a minister to serve as pastor or staff member. Training has been offered to Directors of Missions to enable them to better serve the Pastor Search Committees of churches in their associations.

The Minister Support Advisory Committee seeks to provide training for a task force of 30 or so consultants who can respond when churches ask for help. The first of these training sessions was held in 1988, and more training is planned in 1990.

Efforts will be made to offer training for ministers who desire to serve as interims. It is recognized that this "in between time" offers a great opportunity for helping churches and ministers explore the possibilities of such a time. Several other conferences are being planned to help terminated ministers, retired ministers, and ministers as they plan for retirement.

The Ministers Emergency Fund, begun in 1986 to help ministers who have been forcibly terminated, continues to respond to this time of agony for ministers and their families. Ninety-one ministers have been helped in these three and one-half years with a total of \$113,966. Guidelines provide a minister may receive up to \$100 a week for 13 weeks and payment of three months health insurance premiums.

## Business Management

1989 has proven to be another busy and successful year. Cooperative Program Receipts have exceeded 1988. Foreign Missions, Home Missions, State Missions and Homes and Hospital offerings have all exceeded last year. We are very thankful for this record.

The North Carolina Baptist Assembly (Caswell) has had a good year in attendance and with the construction of the new conference building. A good number of Caswell supporters have donated funds in memory of or in honor of loved ones to cover the cost of bedrooms, conference rooms and other areas. The campus is beautiful. The work of North Carolina Baptist Men over the past years has added to the lasting beauty and function of our assembly.

Caraway facilities are being used by many churches across our state. We are fortunate to have functional facilities at Caraway, Caswell and in Cary.

The Data Services Department continues to expand with advances in computer hardware and software. We have a well-trained staff in Data Services.

The annual audit by Hill, Maddison and Boyce, C.P.A., is always helpful and useful. The **Independent Auditor's Report** indicated that the Convention is "in conformity with generally accepted accounting principles." We are thankful for our audit report and the support of many sacrificial gifts from many churches and individuals.

**Richard D. Smith, director**

# Caraway Conference Center and Camp

Caraway Conference Center and Camp provides facilities for the Royal Ambassadors camps, convention planned leadership conferences, church retreats and other non-profit groups. The facilities consist of a camp with 250-bed capacity, and the conference center with 80 bedrooms, 11 conference rooms and auditorium. The facilities operate approximately 300 days during the year.

Improvements during the year include equipping six rooms for the handicapped, adding a new phone system and upgrading equipment.

**Charles Harris, director**

## Data Services

Data Services continues to maintain church information such as staff positions, receipts and statistical information. Along with the information on churches and Convention data, Data Services maintains most personal computers and software packages used in the building.

**Hal Aldridge, director**

## North Carolina Baptist Assembly

Caswell's contributions to North Carolina Baptists were many and varied during 1989. Caswell provided facilities for lay renewal, mission work projects for Baptist men, women, and youth, senior citizen retreats, weekend youth retreats, as well as a very successful summer camp program. Attendance for 1989 exceeded 20,000 with more than 8,000 of those attending summer camps.

All renovation projects for 1989 were completed on time providing improved accommodations in Buildings #2, Bald Head, Atlantic, Sea Oats and Live Oak. Baptist men, women, and youth provided many hours of volunteer labor all during the year.

The Conference Building was completed in the fall of 1989. It consists of 37 double bedrooms, one apartment, five conference rooms, social gathering rooms, and dining facility. Reservations are now being accepted for use of the center.

## Church Programs/ Sunday School

The Division of Church Programs assists individuals, churches and associations in their efforts to organize and build effective programs to point people to God through Jesus Christ. **Sharing The Dream** is accomplished through an array of short-term and on-going conferences, conventions, camps, retreats, workshops and individual consultations.

The Division of Church Programs is composed of seven programs of work: Church Building Planning, Church Music, Church Training, Sunday School, Church Administration, Weekday Early Education and Church Library (Media). These areas of work are organized into four departments.

Expertise, knowledge of their assigned fields and strong leadership characterize the department directors: Bob Clegg, Church Building Planning; Charles Storey, Music; Maurice Cooper, Church Training. Robert Stewart serves in dual responsibilities as Sunday School Department Director and Division Director. Consultative help for deacons training, church administration and long range planning is given by contract field consultant, Burrell Lucas, who brings to this special assignment his many years of ministry first as director of the Sunday School Department and

then Church Programs Division. Mary Conyers serves as secretary to the division and to the field consultant.

Two staff changes during the year involved a retirement and a position replacement. After 16 years of faithful service as secretary to the Church Building Planning Department and serving with three different department directors, Dot Rodger retired. Her attention to details and her thoughtful acts of kindness leave a legacy to remember.

Bruce Moore joined the Church Training staff in September to fill the Adult Associate's vacancy. This followed a two-year intensive study of the ministry of the Church Training Department and how best to serve North Carolina churches and associations. The study was conducted by the Church Programs Committee of the General Board. We welcome Bruce Moore to the Church Programs team and to the challenges of his assignment.

Enrollment increases across the state in Music and in Church Training were occasions for rejoicing for the entire Church Programs Division staff.

Sharing The Dream challenges the departments within the Division of Church Programs. The five year goals for 1985-1990 continue to constitute the very heartbeat of interest and activity. These goals are Reaching People, Developing Believers and Strengthening Missions. Program directors have been ably assisted by a great host of special and approved workers throughout the state.

**Robert C. Stewart, director**

## **Church Administration (Pastoral Ministries)**

The objective of Church Administration (Pastoral Ministries) is to aid ministers in their personal and professional growth. This is achieved through Personal Growth Seminars and Career Development Seminars. Training for deacons, church officers and committees is also offered by the Church Administration Department.

Field engagements in the area of Church Administration included pastor's conferences, training opportunities for pastors, and deacon's workshops. Retreats have been conducted by Burrel F. Lucas, church administration consultant for the Baptist State Convention.

**Burrel F. Lucas, consultant**

# Church Building Planning

Opportunities for service to our churches in the areas of Church Building Planning continue to come despite rising and fluctuating interest rates and uncertain indexes of the future. Our opportunities come from within the more than 5,000 Baptist churches of the Baptist State Convention of North Carolina.

We reach churches with service in three basic areas:

(1) Development of preliminary designs and planning for buildings, both new and remodeled structures.

(2) Consultation by trained approved workers in the area of Capital Funding (**Challenge to Build Program**) and information related to Church loans and the selling of Bonds.

(3) Initiation of Energy conservation measures which will save church funds that may be used on other local needs and for the stronger support of Missions in every area.

In the development of plans for church buildings, the Department is now prepared to offer services not only of the director but four approved workers who are professionals in the construction fields. These individuals are strategically located in Jacksonville, Thomasville, Mars Hill and Asheville. They offer assistance in plan selection, costs estimation (not detailed), and a general orientation in construction procedures. The Department works with the Church Architecture Department of the Baptist Sunday School Board in providing preliminary plans and space allocation services.

The **Challenge to Build Program** is provided through cooperation with the Stewardship Commission of the Southern Baptist Convention, which also provides the **Together We Build Program**, both being capital funds programs for churches in building programs. **Challenge to Build** is staffed by seven trained North Carolina pastors who are assigned by the Church Building Planning Department, and their work is coordinated through that office. **Challenge to Build** consultants are located in Jacksonville, Siler City, Durham (2), Greensboro, Yadkinville and Patterson. Also, consultation is now available to the Asheville-Murphy area on CTB.

Energy Conservation consultation has been provided on request to the Church Building Planning Department, and an energy conference has been conducted each May at Key Leadership. In 1990, there will be two Key Leadership conferences, with energy conferences (with audits for participating churches) available to churches in Haywood, Jackson and Macon Counties. This project is made possible by cooperation of Church Building Department with Haywood Electric Membership Corporation, Alternative Energy Corporation of North Carolina and the Directors of Missions for Haywood, Tuckasegee and Macon associations. Other areas of the state are being considered for such concerted efforts in 1991 and 1992.

Regional Church Building conferences were held in three locations in 1989 and will be conducted in Wilmington, Asheboro, Elkin and Sylva in 1990. A new format is being developed to provide more time in small conferences with special interests and choices of subject matter.

The Church Building Planning Department seeks to assist churches in providing adequate facilities to house study, worship and fellowship. All programs are consciously designed to eliminate unnecessary costs in construction, funding, furnishings and fuel consumption—a direct way to release funds to needs in programming and missions areas.

Thus, we take pride in our efforts to share with churches in the theme of 1986–1990, "Touching Lives—Growing Churches."

**Robert Clegg, director**

## Church Music

Opportunities for the training of music leaders in the local church continues to be of prime importance through the work of the Church Music Department. Charles Storey, director; James D. Reich, associate; and Becki Canterberry, secretary, seek to assist associations, churches and individual music leaders through the provision of workshops, festivals, camps, retreats and individual conferences.

Although registration for festivals was up this year, the ice and snow storms in February brought about the first total cancellation of any of the festivals—all three Adult Handbell Festivals were cancelled and the Youth Handbell Festivals were severely hindered by bad weather this year as well. A thousand young people participated in the Youth Choir Festivals on the campus of Wake Forest University. More than 1,300 singers from 63 church choirs participated in the eleven Regional Adult Choir Festivals.

Children's Choir Camp at Baptist Assembly (Caswell) had significant growth over the past several years. The Children's Choir Camp at Mars Hill College also experienced growth—in fact, several choirs were turned away because of lack of space. Youth-Adult Music Conference had a slight decrease in attendance by youth—partially due to schedule conflicts in programs planned for young people.

In addition to two on-going Volunteer Music Directors' Retreats held at the Caraway Conference Center, a new Volunteer Music Directors' Retreat was held in the newly completed Conference Center at Caswell. This additional retreat should prove to be especially helpful to churches in the eastern part of the state.

The Church Music Department and the Language Missions Department jointly sponsored a series of Hispanic Music Workshops led by Dr. and Mrs. Ed Nelson of El Paso, Texas. This month-long project began with the Volunteer Music Directors' Retreat at Caraway in October.

Small Church Music Schools continue to be very helpful to individual churches that have specific needs in the area of music ministry. In addition to assisting individual churches with music workshops, the Department Director and Associate work with the Church Building and Planning Department to provide information to churches interested in building or renovating choir lofts, music suites, etc. The Department also assists churches seeking additional music staff. An active file of resumes of

ministers of music is kept in the Department in order to assist men and women seeking music staff positions in the churches.

James D. Reich and Charles Storey participated in many services of worship, led choir retreats, revivals and presented concerts in several churches across the state. As a member of the 1991 Baptist Hymnal Committee, Charles Storey continued to assist in the planning of the new hymnal scheduled for release in March 1991.

In connection with the Brazil Partnership, Charles Storey went to São Paulo, Brazil, to assist in planning for the São Paulo Male Chorale to present a series of concerts in churches across North Carolina in February of 1990. Plans are also being made for the Singing Churchmen/Women to go to São Paulo in May 1991 to participate in the Evangelistic Rally which begins simultaneous revivals across the state of São Paulo.

The Church Music Department continues to see the importance of worship as taught in the Scriptures. Much of the work of the Department seeks to assist churches in developing and strengthening music leaders to better lead their congregations in truly worshipping God—for when this happens, Christian people will be concerned about the spiritual and physical well-being of others. We glorify God as we serve Him ... but we must worship Him before we know how to serve.

## Sunday School

The Department staff consists of the director, Robert Stewart, four consultant field associates and the secretarial support team. Consultants are Johnny Ross (adult work and state training conference coordination), Phil Stone (youth work and associational team development), Janice Haywood (children's work, Vacation Bible Schools and children's worship), and Bob Goode (preschool work, media center/library, church weekday education, kindergarten and child care centers). Robert Stewart currently serves in the dual role as Church Programs Division Director and Sunday School Department Director. Linda Hicks and Eva Teague are the capable and essential secretaries whose work is more like that of administrative assistants than clerical workers alone.

For the third successive year, enrollment reported from churches declined slightly. Although less than one percentage point the decline from 656,447 to 654,871 gives great concern to church leaders who understand that evangelism, church growth and Sunday School go hand in hand.

The many statewide, associational and local church projects conducted are too numerous to list in the space provided for this report, but several examples are listed to illustrate ways the Sunday School Department seeks to meet needs in churches and associations.

- Seven regional Vacation Bible School clinics provided training for 551 persons from 73 associations.
- To help associations develop effective ASSISTeams 295 leaders were trained from 56 associations. Prayerfully this training investment is being multiplied as these trained leaders return to lead in their own associations. If more associations would enlist and send people for training, their effectiveness could be multiplied more.
- Advance training for January Bible Study was provided for pastors and other leaders in seven November campus-based conferences: Chowan, Gardner Webb, Mars Hill and Wingate colleges; Campbell and Wake Forest universities, and at Southeastern Seminary.
- More than 2,000 local church leaders with all age groups participated in the **Gather The People** fall training conferences at Ridgecrest,

Caraway I and II, Caswell and Truett Camp.

- Cooperatively with the Communications Division 52 weekly half-hour television programs were produced featuring the International Sunday School lesson. These programs were distributed for use on 13 cable networks, a number of nursing homes, hospitals, plus some use for lesson overview for adult teachers in weekly workers meetings.

- The Mecklenburg **Enrollment Training Clinic** was one of the most exciting single events of the year. The 35 churches participating discovered 2,755 prospects during that one week and enrolled 119 additional people in Bible study. Each church had a team of up to five guest leaders in likely the most intensive Sunday School growth and improvement project the church had attempted in recent years. Plans were set in motion to create 91 new classes and departments and enlist and train 138 new workers.

- The Evangelism Division and Sunday School Department joined efforts in providing “Early-bird” conferences for 125 prior to the state Evangelism Conference. Training in Outreach Bible Study, year-round evangelism through Sunday School and evangelistic visitation were included.

- Realizing that about 72 percent of our churches are “small” churches, special attention was given through several Friday and Saturday Sunday School Training Revivals such as those in Robeson and Avery associations.

- One statewide conference at Caraway and several associational meetings provided training opportunities for over 150 participants for library-media training.

- Growth through language Sunday Schools took on a new level of intensity in cooperation with the Missions Division and the coming of Steven Diaz. Projects included production of a series of eight Outreach Bible Study video tapes in Spanish, funding for a Hispanic ASSISTeam to attend a week of training at Glorietta, and several training opportunities for Korean, Hispanic and Chinese Sunday School workers.

- An exciting new method of “field servicing” began implementation. This **Church Growth Multipliers Strategy** is a cooperative effort with Church Training and WMU to get training and personal consultations closer and quicker to churches and associations. Currently eleven Multipliers are enlisted, trained and deployed in various sectors of the state ready to be “extensions” of the state staff when calendar time, distance or expense may prevent a regular staff consultant from providing immediate help.

- The privilege and responsibility of serving North Carolina Baptists through the Sunday School Department are joyfully accepted by each of us who serve. We have not achieved all we had vision for or attempted, but much good for our Lord’s Kingdom has been done. We pledge to continue our best efforts and energy as the Lord leads in order that many more will be reached for life-changing Bible study to experience salvation and growth in Christ.

**Robert C. Stewart, director**

# Communications

The Communications Division serves as the general promotion and public relations office for the General Board in terms of production of publications and audio visuals. The Division also provides overall media services to the denominational and secular press.

The Division includes two departments—Publications/Distribution and Video/Audio Visual Productions.

The Communications Office in 1989 has been involved in media consultation with several associations and specific programs of work within the General Board. Specifically, the Division has worked with N.C. Baptist Men in the placement of television spot announcements via cable telecasting, the production of television spot announcements, and worked with the Evangelism Division in the promotion of "Here's Hope" campaign scheduled for 1990.

Added to the staff this year are Steve Mosley, director of Publications/Distribution (replaced Jane Richards who resigned in 1988) and Beth Ward, Audio Visual Library Coordinator (replaced Esther Kidd who retired in early 1989).

The Division also employed two student summer missionaries—Steve Harding and Tanya Shearin—who worked in the area of photo-journalism.

**William H. Boatwright, director**

## Publications/Distribution

The Publications/Distribution Department is a service of General Board divisions, departments, councils and committees. It produces effective graphics and printing and provides bulk mail services for the distribution of Convention promotional materials.

Graphic Services produces computer-generated art for offset printing and xerographic duplication. Including some hand-produced items, Graphic Services produces an average of 100 projects per quarter.

Print Services is an in-house, quick-copy print shop. Average impressions from its xerox duplicators and offset press are 1,000,000 (one million) per quarter.

Bulk Mail Services fully prepares materials for bulk mailings to North Carolina Baptist churches. Pieces handled for mailing per quarter average 400,000.

In 1989, the Publications/Distribution Department produced promotional and instructional materials for the Homes and Hospital and the State Missions Offerings. These two special offerings provide financial support for work done in the Baptist Children's Homes, Baptist Hospital, Baptist Retirement Homes and state missions projects across North Carolina.

The Baptist State Convention adopted "Sharing the Dream" as the theme for the 1986-90 program emphasis. To promote this emphasis, the 1989 Annual Session materials, 1989 Annual, 1989 Directory and 1990 Diary all carry the theme, "Sharing the Dream—Ministry With Integrity."

In addition to the Convention promotional and special project materials just described, materials for the Brazil Partnership and Key Leadership Conference were produced, a series of brochures highlighting Baptist work in geographic regions of North Carolina was begun, a series of brochures describing services offered by the Baptist State Convention to specific age groups in churches was completed, and a monthly four-page insert for inclusion in the *Biblical Recorder* was established. Each month the insert, titled *State Missions News*, will highlight a specific aspect of North Carolina state missions and will include missions updates and announcements.

**Steve Mosley, director**

## Video Productions

The Video Productions Department's task is to produce video and audio materials for our General Board's use in training and promotion of Convention programs. This involves working cooperatively with our General Board Departments, the various institutions, agencies, associations and churches of the North Carolina and Southern Baptist Convention. In addition the Department produces programs for other non-profit, tax-exempt, community service organizations as a means of generating income to assist in purchasing the expensive video production equipment.

The Department produced a total of 80 programs in 1988. Seventy of these were General Board projects and 10 were for outside clients. Two of these programs won national recognition with the Baptist Public Relations Association.

The Department also operates a loan library where Baptist churches from across the state can access programs produced by the State Convention as well as other audio-visual materials. The library currently offers over 600 video and 1,400 filmstrip titles to choose from. These materials are shipped via UPS with a charge to cover shipping. Video or audio visual materials may be requested by calling (919) 469-1674.

The Department is also involved in audio duplication and distribution of copies of major messages given each year at the Evangelism conference and the annual session, as well as assisting the Department of Special Ministries in duplicating audio cassettes of the *Biblical Recorder* for the visually impaired. Almost 17,000 cassettes were distributed in 1988.

**Randy G. Durham, director**

# Evangelism

The Evangelism Division is currently working with São Paulo, Brazil, to develop a prayer ministry for North Carolina churches and associations which will lead to simultaneous revivals in 1991. This will celebrate the establishment of 1,000 new churches in São Paulo during the five year partnership.

The State Evangelism Conference was held Feb. 6-7, 1989, in Greensboro. The theme was "Making Jesus Your Lord." More than 5,500 pastors, staff and laity attended. The 1990 Evangelism Conference with the theme "Here's Hope Jesus Cares For You," will be held in Greensboro, Feb, 5-6, 1990.

The Key Leadership training for evangelism participants was held at Ridgecrest. The emphasis was on: "Here's Hope—Jesus Cares For You," a cooperative effort by Evangelism, Brotherhood, WMU, and Church Training in Evangelism. During the Regional Evangelism Conferences in October, the church packets for the "Here's Hope—Jesus Cares For You" revivals will be given out.

Plans are continuing to assist the churches in developing Church Evangelism Committees to strengthen the work of evangelism in the church.

The Division is now planning along with Stewardship for the "Witnessing Giving Life" materials to be placed in the churches in the summer and fall of 1990.

Plans are now being made for another simultaneous revival effort called, "Here's Hope—Jesus Cares For You." North Carolina revival dates are Eastern—March 18–25, 1990; Piedmont—April 1–8, 1990; and Western—April 22–29, 1990.

**J.W. Hutchens, director**

## Evangelism Development

The department provides direction, strategy, and training for a broad spectrum of year-round evangelistic endeavors; i.e., encouraging aggressive pastoral leadership, rural as well as metropolitan applications, bi-vocational and ethnic leadership, spiritual awakening, and the mechanics of evangelism research, writing and utilization of mass media.

### Church Development

This five-hour associational seminar is designed to communicate the dynamics of intentional evangelistic development in the local church. It is basic to planning for evangelism year round. Emphasis is placed on pastoral commitment, enhancement of administrative skills, and the process of strategy development/utilization.

## **Revival Preparation**

The Revival Training Seminar enables a church to organize and prepare in order to utilize the revival meeting for its maximum potential in reaching people. Revival Training is a primary strategy for emphasis.

## **Spiritual Awakening**

The Prayer for Spiritual Awakening seminar continues to meet a need of churches and associations. Some churches are opting for a retreat or prayer revival format. The message by J. Edwin Orr, "The Role of Prayer in Spiritual Awakening," is available on video cassette.

## **Giving Priority To Evangelism**

Most churches could improve their ratio of baptisms to resident members. This workshop deals positively with factors that hinder baptisms.

**Victor G. Cole, director**

## **Personal Evangelism**

The Personal Evangelism Department provides opportunities for witness training to Christians of all ages with emphasis given to several target groups such as youth, single adults and young adults. A major part of its work is to provide leadership training for key church and associational leaders who can continue training others at the local level.

## **Continuing Witness Training (CWT)**

Interest in CWT continues to rise at a very exciting rate across North Carolina! Thirty-nine National CWT Seminars have been conducted with approximately 353 churches, including pastors of each church attending. During 1989 seminars have been held in Asheville, Wake Forest and Hendersonville. Two seminars were held specifically for Southeastern Seminary and Fruitland Baptist Bible Institute students. The first Advanced Level CWT Seminar was also held in Asheville. The most distinguishing factor of this process is the fact that it multiplies the witnesses as they are trained. A Model Presentation of the Gospel is used to share one's faith during visitation. The Seminar covers four days with 25 hours of instruction and witnessing. Five seminars are planned for 1990. Registration is done through the Personal Evangelism Department.

## **Student Evangelism Team**

**Witness**, the name of the Student Evangelism Team, experienced a great summer during 1989! Leading approximately 75 concerts, eight college/seminary students presented the gospel through exciting and meaningful Christian music. Each concert closed with an invitation and good public response. Some of the most valuable time was spent one-to-one and during witnessing classes.

The Baptist Children's Homes (BCH) and the Personal Evangelism Department have formed a three-year partnership to reach out to youth through evangelism and to spread the news about the resources BCH has to offer families. The partnership will conclude in 1989. The main thrust of this effort is through **Witness** as they tour the state sharing through music and testimony.

## Youth Evangelism Weeks

Using the theme, "Where's Hope, Here's Hope," 1800 youth and adults attended our two weeks at Caswell in June and July. Led by Rick Caldwell, W.T. Mills, Ike Reighard, Ron Proctor, and Buddy Freeman,, many made discoveries and re-discoveries of their relationship with Jesus Christ. Music was shared by **Witness**. Were the weeks successful? One way to measure this is to say that during the commitment services more than 800 youth made public commitments of their faith in Christ, with more than 110 of these being first-time professions of faith. It was a great experience.

## Super Summer '89

It really was *super*. Moving to Carowinds opened many new and exciting doors of ministry. During the day of July 28, 21,000 youth and adults enjoyed the normal attractions of Carowinds, but we added Christian concerts, youth leader workshop, mission displays and all under the sound of contemporary Christian music! On Friday afternoon and evening the "Celebrate Christ at Carowinds Rally" saw more than 171 youth make professions of faith in Christ!

Next year? To handle crowds better, we are going to *two* days for **Super Summer at Carowinds**—July 26–27, 1990!

Richard W. Everett, director

# Missions

North Carolina Baptists are strong supporters of state missions as shown in dollars given. In the 1988–89 church year, approximately \$1,200,000 was given for state missions through the Cooperative Program and \$684,000 through the State Missions Offering.

Through Cooperative Agreements with associations and joint projects with churches, much has been accomplished. Churches have been established, pastors have received salary supplements, strategy planning has been done, ministry to persons with special need has taken place. For an in-depth look at the total scope of state missions one must read the reports of the two area missionaries and the five departments of work in the division—Associational Development; Chaplaincy and Language;

Church Extension; Cooperative Ministries and Seminary Extension; and Special Ministries.

**Sara Ann Hobbs, director**

## Area Missions

### Eastern North Carolina

Area Missionaries serving the easternmost and westernmost parts of North Carolina are the “Baptist State Convention on location.” Efforts are made, working with the associational and church leadership, to bring the resources of the Baptist State Convention to bear upon the needs of these areas. Because many of the counties in Eastern North Carolina are experiencing rapid growth, not only is it difficult for community leaders, but church leaders as well, to provide the basic services and ministries needed.

The opportunity for ministry has increased many-fold in recent years.

A resort missions team serving on the Outer Banks this year has again underscored the need for new work. Several areas need new churches or Bible study groups formed.

Older churches are faced with the challenge of change—attitudes, programs and facilities—to meet the needs of changing communities.

Military is ranked third among North Carolina industries—second only to tourism and tobacco—in terms of economic impact. Because of the military presence, more than \$4.2 billion is projected into the North Carolina economy each year.

Our state has 18 military installations, including five major bases in eastern counties. Therefore, thousands of military personnel are moving in and out of North Carolina. Here is an opportunity that North Carolina Baptists have begun to take seriously. Success of this ministry requires the best that we have to offer plus our willingness to share the love of God and the message of salvation with a real sense of caring and acceptance.

We must not turn back for the field is “white unto harvest.” The goal of the area missionary will be to continue to assist associations and churches in the planning process of becoming more creative and effective witnesses for Jesus Christ. We’re asking the Lord of the Harvest to give guidance, resources and workers.

**Larry McClure, area missionary**  
**Eastern North Carolina**

### Western North Carolina

A major portion of our work this year has been focused on getting Baptists to work together in the common task of reaching and developing

people. Cooperation is more than a "catch word." It is the very life line of reaching out to the needs of folk in the hills and to the end of the world. In meeting after meeting we have tried to stress our task together. The success of our task is always threatened by controversy and distrust. Many good things have happened. We had our largest response in years to the Week of Christian Study and Fellowship at Mars Hill.

Ross Figart Jr., my counterpart in the mountains of Kentucky for the Kentucky Baptist Convention, wrote an insightful letter to his mountain area churches this year. Ross observed:

"In earlier years Baptist churches had a much greater sense of caring for one another than they do now. Larger churches felt an obligation to reach out to unchurched areas and plant new congregations. They often nurtured and assisted those congregations through their struggling years. Any small congregation in the area was of concern and interest—often times the pastor of the stronger church served as a mentor to the men who had less training and experience—the pastor of the larger church often preached revival meetings at the small churches and spoke at their homecomings, ordinations, and other services.

"The congregations knew each other; cared for each other; rejoiced together; and sorrowed together. They were members of the 'one body of Christ' in the truest sense.

"Today, however, I see almost none of that caring nurturing spirit. Many churches have become wrapped up in themselves. Not only have they ceased to care about each other; they have become competitors...."

In North Carolina we have a multitude of people and churches who really do want to care and help. This year we have tried to respond to the need for a better method of matching mission volunteers with mission needs in our state. We will implement a program called Mission North Carolina by January 1990. The thrust of the program will be to ask churches all over the state, "What mission needs do you have that volunteers could do?" "How can we help?" We will also be asking individuals and churches, "What would you volunteer to do in meeting a mission need in North Carolina?" **Mission North Carolina** will seek to match the needs with the volunteers. The Associational Development Department of the Missions Division will coordinate these requests.

Thank you for the opportunity of working with you in the mountains of Western North Carolina.

Tom E. Lolley, area missionary  
Western North Carolina

## Associational Development

The Department of Associational Development provides leadership support for the 79 associations throughout North Carolina through professional and personal educational opportunities for directors of missions

designed to help these key leaders to develop the local associations to be on mission in their particular settings.

The major tasks of the association are: (1) to support the local church to develop to its potential, (2) to support the local church to determine its mission opportunities, and (3) to provide an opportunity for the churches of the association for fellowship.

This year, the Metro Associations throughout North Carolina are involved in gathering data, determining objectives, goals and action plans in connection with the Home Mission Metro Thrust Program. Also, about 25 of the rural urban associations are gearing up for Rural/Urban Thrust which is sponsored by the Home Mission Board.

Since 1963, associations throughout the United States are being involved in a more aggressive attempt to becoming missions catalysts for the geographical areas they cover. This is in keeping with what is happening throughout the entire Southern Baptist Mission Program.

## **Resort and Leisure Missions**

The pattern of persons moving to locations within the state which provide leisure opportunities is growing. There is heavy movement into the northeast coastal area of North Carolina, the southeast coast, The Sandhills, northwest and southwest North Carolina.

In many cases, these persons have been coming into the state as vacationers for the past 15 years, many having bought land or a summer home in the area. The once vacationing families now live in the area as new permanents.

One of the goals of resort/leisure ministry is to provide help for the already established churches in resort areas who wish to reach out to the new permanents. The program also provides leadership to associations wishing to reach out to new permanents when there is no already established church.

The summer ministry to tourists provides the initial impact on the area and a good means of introducing Southern Baptists to those people, many of whom will live in our state as new permanents.

## **World Missions Conferences**

Deborah Batts, state coordinator for World Missions Conferences, is continuing to introduce State, Home and Foreign Missionaries to as many North Carolina Baptists as is possible. This introduction is done by means of World Mission Conferences. Each association is urged to conduct a World Missions Conference every five years. This is done through State, Home, and Foreign Missionaries being invited to tell their mission story in church worship services throughout the conference week. A World Missions Conference is the best way to introduce missions to persons in the local church.

## **Church Missions Development**

Seventy percent of all the churches in North Carolina are either declining or plateaued. This means there has been no church growth in 2,500 of our churches over the past five years. Some church growth leaders indicate this no growth attitude is in direct response to the active

mission involvement of the congregation to the community. Clyde Davis, former Director of Missions of the Eastern Baptist Association, is working as consultant for Church Missions Development in North Carolina. He is available to work with associations throughout North Carolina to do programming so North Carolina churches might come out of the decline or come off the plateau.

**Bobby Stafford, director**

## **Chaplaincy and Language Ministries**

### **Chaplaincy**

With the addition of Chaplain Gerald Richards as a coordinator of Chaplaincy/Military Ministries, the support work of the Chaplaincy Department for its chaplains has become the finest in the history of the department. The state is divided into regions, with every full-time chaplain being placed in one of the seven regions. A coordinator for each region has been appointed having several fellowship meetings per year of its chaplains. The chaplains are feeling the effect of more staff assistance to support their ministries. Projected programs of support, coupled with the programs of the Chaplaincy Division of the Home Mission Board, makes North Carolina chaplains a part of the best support system of Southern Baptists chaplains.

Local Baptist associations are continuing to feel the need to provide part-time chaplaincy ministry programs to small prison units within their areas. Excellent, caring programs have begun because the local associational leadership has joined with the Baptist State Convention Chaplaincy Department to fund part-time chaplaincy ministries at small units that have no chaplain available. The Chaplaincy Department continues to offer funding assistance to such programs. Presently, we are assisting seven associations with funding.

The Department focus of the 1989–1990 year is to revitalize the volunteer chaplaincy program. North Carolina Baptists are strong in our volunteer programs. Chaplaincy ministries such as law enforcement, small hospitals, retirement homes, nursing homes, and prison are in great need of our volunteer program. Our desire is to meet those needs.

### **Language**

North Carolina Baptists are becoming aware of the challenge of ministry to language persons living within their communities. The rising awareness has resulted in 73 churches and missions being established across North Carolina among persons of 12 language groups: Asian Indian, Spanish, Haitian, Cambodian, Chinese, Japanese, Korean, Laotian, Middle-Eastern (Arab), Vietnamese, African and Romanian. By 1995, the Language Department expects its number of churches and missions to exceed 100.

The increase in the number of churches and missions served has now

caused a shortage in pastoral leadership across our state. For many years the Department could keep up with demands. Now, the demand is causing a slower response in starting new work. There are presently more opportunities for new starts than we can supply leadership to meet the needs. Also, the needs for leadership within the existing churches and missions demands our assistance. Steven Diaz, associate for multi-ethnic ministries, has designed and is leading multi-phased workshops to build pastoral and lay leadership to meet the challenges of new starts and program leadership within the existing units. A series of video tapes produced this year in Spanish are being used across North Carolina to provide "Outreach Bible Study" to growing Hispanic communities within associations. For the first time, an evangelistic Bible study tool is available for use within the associations in a language other than English.

The Ethnic Leadership Development (ELD) School, taught weekly at the Baptist Building in Cary, trains leaders in doctrine, theology, New and Old Testament studies, preaching and other courses. These are taught in Spanish. Courses in Korean will begin this fall.

The retirement of William O. Hern from the department, after 12 years of service, will leave a void on the staff in the area of Interfaith Witness. The Department hopes to meet the needs of Interfaith Awareness conferences in associations and churches through the use of persons who have been trained and certified in various areas of Interfaith programs.

## Deaf Ministries

North Carolina presently has five congregations of deaf persons. Charlotte, Morganton, Hickory, Kernersville and Raleigh now offer deaf persons an opportunity to worship and study within their own congregation. These programs are added to the more than 70 places across our state to which deaf persons are ministered through interpreters. The Language Department hopes to add at least one other deaf church to its network of deaf congregations, that being the Wilson area. A survey of the Wilson area is planned for Fall 1989. Spring 1989 saw the addition of the Kernersville church housed within the facilities of the Main Street Church of Kernersville. This congregation hopes to serve the entire Triad area of Winston-Salem, Greensboro and High Point.

Plans are being made to strengthen the interpreter programs throughout North Carolina. So many people are dependent on the ministry that is being given through these programs, the department plans a series of church and associational workshops to offer basic and advanced training to strengthen interpreter skills.

**Burke Holland, director**

## Church Extension

The Church Extension Department works with all of the churches and associations in North Carolina through New Work Starts and Church

Growth. Established churches and new churches are assisted through Church Growth Assistance; i.e., salary supplement, annuity and/or travel; loans, rental assistance and mobile units.

Specialized assistance is provided for churches through the following programs: (1) PACT (Program for Assisting Churches in Transitional communities), (2) People Search (area survey and analysis), (3) New Work Corps and PRAXIS (Summer New Work Missionaries), (4) Church Planting (growth conferences for local churches and associations), (5) New Work Probe (survey of local area and/or association for new work start potential), (6) Multi-Family Housing Conferences and training, (7) Urban Training Cooperative (conference on meeting urban needs), and (8) VALS (Value and Lifestyle) Seminars aimed at empowering our evangelical language.

Eleven New Work Corps students, along with two PRAXIS students and one church planter, worked in 11 associations this summer for 10 weeks taking census, conducting Backyard Bible Clubs, Big A Clubs, VBSs and Adult Bible Fellowships; participating in puppet shows, having parades, making evangelistic visits and having tent services.

As a result of the efforts of the New Work Corps, seven new units of work were initiated during the summer. These students served in the following associations: Atlantic, Little River, New River, New South River, Pee Dee, Piedmont, Raleigh, South Fork, South Roanoke, Wilmington and Yancey. A newsletter was published several times during the 10-week period to let the students hear about what each student was doing in trying to start a new work.

A network of 25 New Work/Church Growth Consultants have assisted associations and local churches across the state in starting new work and helping plateauing churches to grow.

The Church Planter of the year, Robert L. Cloninger, and the Church Growth Person of the Year, Mrs. Jerry Strickland, Spring Lake, were presented a plaque by our department during the Evangelism Conference in Greensboro.

Twelve mobile units are on site from the coast to the mountains of North Carolina providing temporary space needs. The 13th unit will be purchased soon.

A John Savage Conference was held for the Church Growth Assistance pastors and their wives and Directors of Missions at Caraway.

Several PROBES have been held in Brunswick, Neuse and South Roanoke Associations and two PACTS were held in Mt. Zion and Raleigh Associations.

*Alert*, a newsletter pertaining to New Work, is published quarterly.

Church Growth Assistance was received by 51 New Works (1–5 years) and 13 established works (six years or more) and 12 received rental assistance. As of Aug. 1, 1989, there have been 22 New Units of work started.

This Department works with the Departments of Cooperative Ministries, Language Missions, Associational Development and Special Ministries in starting new work. The Sunday School and Church Training Departments and the Evangelism Division assist the new works in program development. There is cooperation with the Baptist Foundation and the Church Building and Planning Department in building churches and

securing loans. Information is shared with all divisions for the purpose of education and awareness.

**Bob Watson, director**

## **Cooperative Ministries With General Baptists And Seminary Extension**

The Department concluded 32 years of service on April 1, 1989. It has been another exciting year in ministry with a variety of people including a continuing relationship with the predominantly black General Baptist State Convention of North Carolina, college and seminary summer workers, bivocational ministers and others. The newest developing program involves starting new Southern Baptist churches in predominantly black communities.

### **Cooperative Ministries**

Twenty black summer workers were appointed with an orientation week held at Meredith College.

Scholarships totaling \$12,950 were provided to black Baptist students preparing for church related vocations. Southeastern Seminary provided \$6,400 in matching funds.

The Department co-sponsored a teacher-missionary at the Shaw Divinity School along with the Home Mission Board. On that campus we assisted with the 16th Annual Pastor's Conference, a Mission Training Conference, and an Annual Church Leaders Conference. We assisted Shaw University in a successful statewide promotional campaign to enlarge their endowment fund. We assisted with the campus ministry at N.C. Central University, Durham. We also conducted five tax seminars for General Baptist churches, and numerous other workshops and institutes.

The Home Mission Board canceled funding for scholarships for black students and reduced funds for the summer youth program.

### **New Work in Predominantly Black Communities**

The relatively new program involving starting new churches in predominantly black communities became more exciting during this year. We held our first conference on Southern Baptist Resources for Black Baptist Churches and attracted an overflow crowd of 200 at the Caraway Conference Center. All leaders for the conference were black and Southern Baptists. A second conference is planned for Dec. 1-2, 1989, at Caraway.

Two new predominantly black congregations joined the New South River Association: New Mission Baptist Church, Fayetteville, and Kingdom Building Baptist Church, Autryville. Other areas are being explored for new work.

### **Seminary Extension**

A new diploma program was released this year which students may

now earn through the seminary of their choice. Additional changes and several new courses have created new interest in the program. A total of 80 active Seminary Extension centers were reported this year. North Carolina continues to have the largest program in the nation.

Among black Baptists we established 73 courses, granted nine Advanced Diplomas and two diplomas in Pastoral Ministries. Approximately 800 registrations were recorded. The accumulated record for this phase of Seminary Extension as of Aug. 1, 1989, now stands as follows:

Number enrolled .....	3,329
Number registrations .....	10,745
Number courses taught .....	595
Certificates of Merit. ....	37
Diplomas .....	36

Prison inmates received 474 individual courses during the year, bringing the total to 3,221 since beginning the program in 1979. Four diplomas in Pastoral Ministries were presented, bringing the total to 33 inmates having earned a diploma.

## **Bivocational Ministries**

The eighth annual Statewide Retreat for Bivocational Ministers and Spouses was held at Caraway with an attendance of 120. The Department held 21 associational conferences with over 600 bivocational ministers and lay leaders in attendance.

**Corbin L. Cooper, director**

## **Special Ministries**

The Special Ministries Department is responsible for helping North Carolina Baptists become aware of the need for ministries and provide ministries with persons with handicapping conditions; to promote the area of Church and Community Ministries; to provide literacy promotion and training; and to promote the need for volunteer service groups within the local church/community. The goal is to make Christ known in and through ministry to human needs.

### **Ministry with Blind/Visually-Impaired Persons**

May Waugh serves as field consultant for ministry with blind persons. She travels to pastors' conferences, associational meetings, brotherhood groups, WMU groups, and senior citizens' groups to share ways they can minister in helping blind persons know Christ, and find an effective way of serving Him.

The cassette tape ministry of the department reaches many blind persons. Two hundred and three persons are currently receiving each issue of the Biblical Recorder. Myrtas Baker of Raleigh volunteers her services as a reader each week. We also recorded and mailed 37 sets of cassettes of

the Foreign Mission Study Book, 59 sets of the January Bible Study, and 45 sets of the Home Mission Study.

## **Ministry with Mentally-Handicapped Persons**

One hundred twenty-one North Carolina Baptist churches now have special classes for persons with mental handicaps. At least six new classes started this year. Training for teachers of special education classes was provided in cooperation with the Sunday School Department in ASSIST Conferences, VBS Clinics and Fall Leadership conferences.

The training sessions were led by Jane Stevens, Jim Burnette, Patsy Koutsogeorgas, Myra Robinson and Wanda Garris. Several other training sessions were led by Gene Nabi of the Sunday School Board and Jeri Brown of Tennessee.

Three Happiness Retreats for mentally handicapped persons were held at Caraway Conference Center and Truett Camp. Bill Voorhes and Nancy Cody served as camp directors respectively. The Caraway retreats also have training sessions for teachers and for parents of mentally-handicapped persons. There were 340 persons at these three retreats, 191 of those were persons with mental handicaps.

Day camp programs for mentally-handicapped persons were conducted on Saturdays at Campbell University and Wingate College for the sixth year, and at Camp Cale for the fourth year. Recreation departments, BSU students, Christian service clubs, WMU groups, an ARC group, and our department work together to make these Saturday events possible. More than 348 persons were involved in these events.

We promoted Mental Retardation Sunday in March by sending information to churches about how to observe it. We provided 39,000 bulletin inserts to 103 churches and associations requesting them.

The "Open Doors" newsletter was mailed quarterly to 651 persons and/or churches on our mailing list. The newsletter contains information about activities, events, teaching materials, etc., available for ministry with persons with mental handicaps.

## **Church and Community Ministries**

There are currently 11 full-time and six part-time Church and Community Ministries directors in 17 associations.

Since the last annual report, the following changes have occurred: the Flat River and Cabarrus associations part-time vacancies have been filled by Shelby Mauney in Cabarrus and Virginia Tuck in Flat River; the Catawba River Association has employed Jean White as their first part-time CCM director; New River Association filled their CCM director vacancy with Michael Flannery; Neuse Association moved from a part-time to a full-time position retaining Jeanette Walters; and Marsha Cook moved from the Wilmington Association to the Raleigh Association.

Three associations are searching for CCM directors with the purpose of calling them to serve the last of 1989 or during 1990.

The full-time Directors of Church and Community Ministries are: Carolyn Charles, Buncombe Association; Cathy Hopkins, Eastern Association; Robert Davis, Kings Mountain Association; Sheila Black, Mecklenburg Association; Jeanette Walters, Neuse Association; Michael Flannery, New

River Association; Richard Spell, New South River Association; Michael Bradshaw, Pilot Mountain Association; Marsha Cook, Raleigh Association; Carl Fisher, South Roanoke Association; and Faye Bassett, Yates Association.

The workers and associations having part-time CCM program, or receiving part-time funding are: Shelby Mauney, Cabarrus Association; Jean White, Catawba River Association; Virginia Tuck, Flat River Association; Delene Russell, Gaston Association; Ann Williamson, Mt. Zion Association; and Aubrey Walker, South Yadkin Association. Reports from these 17 CCM directors recorded more than 1,000 professions of faith.

Twenty Student Summer Missionaries were trained to work in 11 associations in the areas of Church Weekday Ministries and Migrant Ministries.

## Literacy

Bill Hern retired in August 1989 but continues to serve as coordinator of tutor trainers. During the year he enlisted leaders for 21 Adult Reading and Writing Workshops and seven Conversational English Workshops. Of the 354 persons enrolled in those workshops, 323 received diplomas. Hern led six Literacy Awareness Workshops and one Witnessing Through Literacy Workshop.

Hern planned and directed the annual Literacy Missions Retreat at Caraway Conference Center. Featured this year were Glenda Reece presenting her new manual, *English Lessons From The Bible: Book Of Mark I*, published by the Home Mission Board, and Amy Smith and Regina Curton introducing the *Mother Read* literacy method.

# Stewardship

The Division of Stewardship plans, develops and promotes a plan of biblical stewardship to aid churches in enlisting members in the practice of and growth in Christian stewardship.

This plan of biblical stewardship includes the individual Christian's response in terms of giving, lifestyle, and money management. It also includes the local church and its stewardship responsibilities.

Biblical stewardship also includes the support of missions through the Cooperative Program.

The Division's goal for 1989 is to fulfill this purpose and help churches and individuals to reach Bold Mission giving goals.

The Division staff seeks to achieve its goals through the following programs.

## Planned Growth in Giving

Serving as staff for the State Planned Growth in Giving Task Force was a continuing responsibility of the Stewardship Division staff during 1989. This is in keeping with the goals and objectives of the Division.

## **Missionary-in-Residence**

The missionary-in-residence program continues to utilize a furloughing missionary to interpret mission support needs to the churches. George Brice, former missionary in Brazil, is serving in this capacity and helping with the São Paulo/North Carolina Partnership.

## **Cooperative Program Promotion**

Materials have been prepared and distributed to aid churches in emphasizing missions support through the Cooperative Program. Special emphasis was given to Cooperative Program Day in April, Vacation Bible Schools, and promotional materials for use in the fall.

A special emphasis on cooperation and how Baptists work together was planned for the fall. The special emphasis will involve key lay leaders.

## **Key Associational Leadership Conference**

The Division participated in the training of key associational leadership by preparing materials for and training the 44 associational stewardship directors who attended the conference at Ridgecrest, plus participation in Associational Key Leadership Conferences, and training as requested.

## **The Great Challenge**

The Division sponsored and provided a consultant to lead Great Challenge Stewardship Programs in approximately 20 churches. The Great Challenge is a stewardship program designed especially for smaller churches.

## **Special Seminars**

(1) A Christian Money Management Workshop involving 21 couples in a process of clarifying Christian commitments, financial goal setting, assessment of resources, and the development of a family spending/saving/giving plan. Lee Davis directed the process, using his book, *In Charge: Managing Money for Christian Living*. Each couple is asked to plan and lead a church or associational Christian Money Management Workshop within the next year. Additional Christian Money Management Workshops were led by staff in various churches and associations.

(2) A three-day Stewardship Seminar in August was held at Caraway with 21 participants. The program included a biblical theological study of stewardship and an overview of stewardship programs. J.W. Hutchens, chairman of the SBC Witnessing/Giving Life Planning Committee, presented a study of the Witnessing/Giving Life. Participants were asked to be available to assist churches with stewardship development.

## **Bold Missions Stewardship Conferences**

The primary method of assisting churches in stewardship development and in reaching mission support goals is through Bold Mission Stewardship Conferences in the associations. The purpose of the meeting is to present and discuss the stewardship material in the packet developed by the Division. Conferences were held in 67 associations, with 596 pastors attending,

and a total of 1,656 representatives from 766 churches attending.

## **Church/Association Staff Support**

A continuation and update of the special study made in 1988 was placed in the hands of pastors, church and associational staff and key lay leaders of each church.

**O.D. Martin Jr., director**

# **Youth and Campus Ministries**

1988–89 has been a great year for the Division of Youth and Campus Ministries. We seek to project and coordinate Baptist ministry with those on North Carolina college campuses and provide resources for those who work with youth across the state.

We work closely with scores of church workers with students and hundreds of youth ministers; all of us learn together in these crucial areas. More than three dozen people are serving as volunteer BSU directors in all types of colleges. The local campus ministers and Convention traveling staff are supported by a number of dedicated and exceptionally able secretaries, seminary interns and others. It is fun to work with this group, to feel our mutual prayer support and concern, and to watch our ministries be used by God to help grow young Christians. North Carolina Baptists have assigned the supervision of this division and personnel to Jim Greene.

The state-level campus ministry emphases for 1988–89 have been study on the area of spiritual formation and ministry with/learning from children and Internationals. Creative leadership on the part of campus ministers has made this a significant year of growth. Our 1989–90 emphases are faith sharing and ministry with/learning from the elderly and those with less than adequate housing. We will depend upon the prayer concern of Baptists across North Carolina as we serve in their name.

## **Youth Ministry**

Youth ministry includes everything a church does both inside and outside the church fellowship with persons in grades 7 through 12. Hal Melton coordinates this facet of the Convention's program and presents to local churches and youth ministers a balanced calendar of youth and adult leadership emphases.

A major emphasis of the Division of Youth and Campus Ministries is the equipping and encouraging of those who work with youth both on a volunteer and full-time basis. Programs such as the North Carolina Youth Ministers Continuing Education Retreat, Regional Youth Ministry Workshops, and Key Leadership Conference provide training opportunities for

youth leaders. The North Carolina Baptist Youth Ministers Association assists the Division in its task of educating, resourcing, and communicating youth ministry to the churches and associations.

In addition to resourcing leaders, the Division plans a few state-wide ministry events that seek to provide opportunities for fellowship leadership development and spiritual growth for youth. Four Youth Conferences at Caswell this summer focused on living the life of faith. The annual High School Seniors' Retreat gives seniors an opportunity to look at the world beyond high school graduation. Three "Spring Fling" retreats provided churches without full-time staff the chance for discipleship training. "Curtain Call," a creative ministries conference, equips adults and youth striving to use drama, puppetry, clowning and storytelling in outreach and ministry.

## **Local Campus Ministry**

The primary ministry with college students occurs on the local campuses. North Carolina Baptists have persons ministering full-time on 18 major colleges and universities across the state. In addition, many campuses are served by volunteers who may be church staff members, faculty members or lay persons with an interest in students.

Whether volunteer or full-time, the campus ministers seek to reach students where they are and provide opportunities for spiritual growth and development. Evangelism training, Bible study groups, leadership development, outreach teams, and mission projects are a few of the opportunities available to students. On most campuses the Baptist Student Union (BSU) is the organization through which the ministry is channeled.

## **State BSU Ministry**

The state-level BSU ministry provides additional opportunities for spiritual growth and leadership development, with students assuming leadership roles in planning and implementing programs.

Amanda Carroll, a student at Meredith College, was elected state BSU President by her fellow students for the 1989-90 academic year. Alongside the Division staff, Carroll helped coordinate the work of six state student committees. These committees developed a student missions budget and planned the fall Student Convention with an emphasis on evangelism, the Spring Leadership Conference, two International student conferences and an Action on Issues conference. In addition, they provided resources for ministry with International students, for evangelism training, and for involvement in social ministries.

The state-level program also provides numerous opportunities for missions and ministry. Semester-long internships in ministry projects and summer mission positions are available to students and are funded in part by student-raised monies. In the summer of 1989, 36 students did youth ministry in small North Carolina churches through Youth Corps. Twenty-six other students were involved in missions in places as varied as Israel and the Philippines, the mountains of West Virginia and Americus, Ga., and Eagle Springs and Supply. Kay Huggins is the Division's coordinator of the student missions program.

## **Church Workers with College Students and Special Ministries.**

While there are a variety of ministry and growth opportunities available to students through the Baptist Student Union on the local and state levels, ministry with students occurs outside the BSU sphere. North Carolina Baptist churches and associations have increased their emphasis on ministry with students. Working with the Sunday School Department and the Key Leadership Conference, this division provides training events which are available for church workers with college students.

Other special student populations with which the division works include internationals, blacks, and married students. Joe Clontz, Velma Ferrell and Joe David Fore coordinate the division's work in these areas.

# Christian Life and Public Affairs

Through its various departments, the Council on Christian Life and Public Affairs has provided a variety of field service events and educational resources for North Carolina Baptists. Associational Christian Life Committee members were trained. Information, materials and guidance on a wide range of social and ethical issues were furnished to individuals, churches and associations.

A signal event was the transfer to the Council's staff of Joe F. Jones III to direct the work of the new Department of Substance Abuse/Dependence. That department's initial efforts are noted elsewhere in this report.

**Michael Jamison, president**  
**W. Douglas Cole, executive director**

## Aging

Ministries among older adults continue to expand among the churches in North Carolina. Conferences, seminars, rallies and training opportunities

are being conducted by churches and associations to meet the needs of this fastest growing segment of our population. Although budgetary restrictions have prevented the employment of a director, this department's work has been borne by special consultants, volunteers, and by other members of the staff.

Four rallies were held in April, May, June and September. The six conferences/retreats at Caraway Conference Center attracted capacity attendance. In cooperation with the Gerontology Center of Mars Hill College, the Department co-sponsored four two-day workshops on providing ministries for the aging in a local church and a statewide interfaith symposium in Asheville.

**W. Douglas Cole, executive director**

## **Christian Citizenship Education**

The work of this department has focused on two principal areas: the North Carolina General Assembly and world hunger.

### **General Assembly**

The 1989 long session turned into the longest session in history.

Among issues of interest to Baptists were:

- A bill to strengthen the state's laws regarding drunk driving.
- Budget provisions to increase poor people's access to medical care by expanding the Medicaid program.
- A proposal to set up a state lottery.
- Bills to address the state's problems with hazardous waste and solid waste.
- Efforts to increase the use of alternative (i.e., non-prison) punishments for non-violent criminals.

As of this writing (Aug. 7), the General Assembly is still in session and all of these issues except the last are still under consideration.

Baptists concerned about these issues were kept abreast of developments by the Legislative Information Network, which provided up-to-date reports on these matters and suggested timely and effective action.

The legislature will return next summer for its so-called short session. The Legislative Information Network will again help Baptists to have effective input into the legislative process in our state.

### **World Hunger**

Millions of God's children around the world continue to suffer, grieve and die because they lack adequate nutrition for themselves and their families. Baptist missionaries at home and overseas are involved in a host of innovative and compassionate ministries to help the hungry help themselves.

In 1988, North Carolina Baptists led all other states in contributions to the hunger funds of the Foreign and Home Mission Boards. During the first two-thirds of 1989, our gifts were running just slightly above 1988 levels. and yet, these gifts, highest in the Southern Baptist Convention, amounted to only a little more than a dollar per Baptist **for the entire year.**

The North Carolina Hunger Fund has continued to distribute money given by North Carolina Baptists to churches and associations which are combatting hunger at the local level. Through August, funds had been given to 19 churches and 13 associations. These grants totaled about \$27,000 and, in most cases, were matched by generous assistance from the Domestic Hunger Fund of the Home Mission Board.

## Christian Family Life

Growing and enthusiastic response continues by our Baptists in North Carolina to Family Life, Single, and Senior Adult events offered by the Department of Christian Family Life. The range of family life needs and interests drawing this positive response is broad. This variety is indicated by Family Life Events planned and implemented by the Department Director. They include:

- The Clergy Couples Marriage Enrichment Retreat, co-sponsored by the School of Pastoral Care.
- Three workshops on "Doing Family Ministry in Small Churches"
- Two Area-Wide (35 associations) Single Adult Seminars including a weekend event at Caswell.
- Four Single Adult Planning Workshops.
- Four Senior Adult Rallies on the Baptist Children's Homes campuses and one at the Associational level.
- Two Senior Adult Planning Sessions
- One Regional Leadership Training Conference in "Parenting By Grace"
- One Regional Leadership Training Conference in "Covenant Marriage"
- Family Ministry two hour workshops for Directors of Missions as part of four regional Vacation Bible School Clinics.
- Associational Blended Family Workshop.
- Couples Spring Break Weekend at Caswell attended by 90 couples.
- Family Life conferences were led in three local churches or associations.
- Two-day Family Enrichment Leadership Training Conference at Caraway.
- Suicide Awareness Conference at Wingate College.

The director also led sessions as part of annual meetings of:

- Bi-Vocational Ministers' Conference.
- N.C. Baptist Ministers' Wives Conference.
- Discipleship Training Conference—previewed "Parenting by Grace"

and "Covenant Marriage" (Life Courses) and the equipping center modules "Before you Marry" and "Building Bonds Between Adults and Parents."

•North Carolina Baptist Secretaries' Conference.

Other events included leading one "Better Homes Club" meeting, participating in Associational Cooperative Program Day, attending Rural Crisis Committee at Duke University, conducting a three-day Family Life Revival, and preaching in local churches.

Another video-tape, "Divorce—From Hurt to Healing," was added to the Family Life series of seven already produced by the Department. Also, an additional pamphlet, titled "The Church, the Family and the Future," was written for the **Growing Christian Families** series.

**Robert L. Newton, director**

## Substance Abuse/Dependence

The Substance Abuse/Dependence Department is new as of Feb. 1, 1989, having been approved by the convention in the November 1988 annual session. For Southern Baptist institutions, convention, and agencies, this is the first staff position fully dedicated to the problem of addictive behavior in our culture. There are no existing programs to tend, or models to follow. The work that has been done could not be without the Substance Abuse Advisory Committee, to whom your director is most grateful.

Seeking ways to assist Southern Baptist churches to be redemptively involved in addressing what many say is our nations' worst problem, several program directions have been set.

First, in cooperation with the Baptist Hospital Department of Pastoral Care, an annual conference for ministers which addresses practical issues related to addictive/compulsive behavior in their congregations has been established. The first conference was Oct. 23–24 at Caraway Conference Center. Keith Miller served as keynote speaker, Maurice Briggs led, and coordinated other Pastoral Care staff to lead, problem-oriented sessions. This conference acquainted persons serving in ministerial roles with clinical and even spiritual material useful to them as they work redemptively with people.

Second, a film and study guide has been available since Aug. 1 offering basic information concerning addiction, the Bible, dysfunctional families, and the relation between spiritual and clinical language. The film, titled **The Bible and Addiction**, is intended both for groups and interested individuals. Copies of the film and workbook are available at reproduction cost, and it is suggested that churches have the film and a couple of workbooks available for individuals in their congregation. The film may be ordered through the Communications Division at the convention.

Third, several radio and TV Public Service Announcement spots are scheduled for release in Feb. 1990. Your director is grateful for the professionalism of the Communications Division at this point.

Fourth, the "On Trac" material from the Texas Christian Life Commission has been studied and approved by Substance Abuse/Dependence Advisory Committee members and Youth and Campus Ministry for distribution in North Carolina. Churches are encouraged to use this training material in youth and youth/parent programs. It is available, also at cost, through the department.

Several other projects coordinated with other parts of Baptist life are planned. These include educational film and workbook efforts with WMU, Youth and Campus Ministry and Church Programs. The director has spoken at many Pastor's Conferences, associational events, and churches as part of the substance abuse/dependence ministry. North Carolina Baptists are to be congratulated for supporting this one-of-a-kind effort.

**Joe F. Jones III, director**

# North Carolina Baptist Men

1989 has been an excellent year for North Carolina Baptist Men. New officers were elected in January of this year to lead the men in missions service. Raiford Troutman, businessman from Concord, was elected president. Serving with him as vice presidents are: Barry Hartis, Elizabeth City; Ben Sutton, Winston-Salem and Dr. Ernie Stines, Canton. Working with these men are some 150 key laymen across the state to challenge men and boys to missions education and missions involvement.

A major step in 1989 was a result of action taken at the 1988 Baptist State Convention. At the Convention, N.C. Baptist Men were granted auxiliary status. With this status came much responsibility for the men of our state to organize and work to help all the Convention to meet its goals in the years to come. The men of North Carolina have accepted this challenge and are grateful for the opportunity to work toward this end.

Also in 1989, a 40-foot medical van was purchased to be used in medical missions in North Carolina. The bus, customized with a full dental office and a physician's area, will be used by Baptist medical persons in our state as a means of mission service and will operate in cooperation with the associations across the state.

The Disaster Relief Van again responded to numerous emergencies to feed over 5000 meals this past year.

In addition to these two exciting and rewarding ministries, N.C. Baptist Men were involved in over 70 Lay Renewal Weekends, 60 Lay Led Revivals, and they continue to challenge and help churches to begin Baptist Men's Prayer Units. All of these ministries are those that help the individual to become more aware of his responsibility as a follower of Jesus Christ.

## **Royal Ambassadors**

As always, a high priority of N.C. Baptist Men is to help the young men across our state to become a part of missions. Royal Ambassadors, under the leadership of Richard Brunson, has continued to grow and develop new and innovative ways of reaching boys, grades 1-9. It is our goal in the years to come to assist more boys to find meaningful ways of missions outreach.

## **Staff Changes**

The N.C. Baptist Men's Staff continues to be one that is committed to helping men and boys to become involved in missions. We were sorry to lose Tommy Puckett from our staff. However, we are happy for Tommy in that he became Brotherhood Director for the state of Alabama. We wish Tommy the very best in his new place of service. We were also sorry to lose Tom Stocks, part-time staff member who directed our summer camping program at Caraway. Tom did an outstanding job as director as well as other responsibilities to which he was assigned. Richard Brunson, Lynn Tharrington, Administrative Assistant, and Carlette Adams, Financial Secretary, gave endlessly to the task undertaken by N.C. Baptist Men. We were pleased to have Anne Garrett to join the staff as Department Secretary to work with the team.

## **Future**

1990 is the beginning of the last decade of the century. N.C. Baptist Men have agreed that a place of great emphasis will be in the Marketplace. It is the belief of N.C. Baptist Men, if we as the Christian church have hope in reaching our world for Christ, it must have Christian men dedicated to sharing their faith and living out their faith in the work places of this world. In the decade to come, N.C. Baptist Men will be found here!

David Langford, executive director

# **Woman's Missionary Union**

Woman's Missionary Union, auxiliary to the Baptist State Convention of North Carolina, exists to teach churches about Southern Baptist missions, lead them into an active ministry of prayer for and financial support of missions, and help them become more involved in missions and ministry locally. The programs and activities and emphases of WMU are planned and conducted with these goals in mind.

The state work of Woman's Missionary Union is administered by an

Executive Board, comprised of the officers, age-level chairmen, and 15 members-at-large of the 10 state regions. The officers for 1988–89 were Dorothy Allred (Mrs. Hoyle), president; Ann Smith (Mrs. Sanford), first vice president; Donice Harrod (Mrs. J.D.), second vice president; Nancy Hunter (Mrs. Al), recording secretary; and Charlotte Cook (Mrs. Robert), assistant recording secretary.

The state staff consists of Nancy Curtis, executive director; Jan High (Mrs. Larry), WMU consultant; Carolyn Hopkins, Baptist Young Women-Baptist Women consultant; Linda Todd, Acteens Consultant-Camp Mundo Vista director; Marcia McQueen, Mission Friends-Girls in Action consultant; Leland Bingham, Camp Mundo Vista Resident Manager; Kay Bisette (Mrs. David), administrative assistant; Belle Wilson (Mrs. Walt), secretary-receptionist; Cheryl Cruickshank (Mrs. Richard), financial secretary; and Violet Matthews (Mrs. Stacy), secretary.

The Executive Board meets three times each year to conduct the business of WMU in matters such as budget, hiring of program staff, Camp Mundo Vista administration, and to give guidance and assistance to the program staff regarding programming and WMU services.

The following activities and emphases were highlights of the 1988–89 year.

## **Leader Training**

WMU believes in the importance of training the leadership within the associations and the churches. Thus, training is one of the main efforts of state Woman's Missionary Union.

A major program of training was undertaken in 1987 with the development of a team of specialized workers. This team is composed of 85 women who received further training in the spring of 1989 in various aspects of missions and ministry, including personal witnessing.

The most essential part of the WMU training team is the Associational WMU Council. Seventy-three of these councils, with 631 women, were trained to work with churches in their associations and plan and conduct mission-centered activities and meetings.

Training was provided for Mission Friends, Girls in Action and Acteens leaders at special state-sponsored events. Baptist Women and Baptist Young Women members and officers were given opportunities to improve their leadership skills at state events.

## **Activities and Events**

A major event held exclusively for WMU leadership was Discovering II which was held at Ridgecrest and was attended by 1,166 women.

A major focus for WMU and the Baptist State Convention is ministry to the family. In light of that focus, three regional "GA Family Mission Days" were held. These days featured events and activities in which the family could participate as a unit. More than 300 persons participated in these.

Every five years WMU, SBC, sponsors the National Acteens Convention. This national event, in San Antonio, Texas, was attended by 15,000. More than 700 Acteens from North Carolina were a part of that very special occasion.

Another special event for 480 Acteens and their leaders was the

Acteens Celebration at Caswell. Acteens who had achieved recognition for a Studiact level and the Acteen Activator teams were recognized in a special way at this Celebration.

Career and Professional Women had the opportunity to participate in a special weekend at Caswell which focused on missions and ministry opportunities for them. One hundred women attended this event.

For many women the highlight of each year is the WMU Annual Meeting. Held in Fayetteville at the Cumberland County Auditorium, over 1,200 women attended this meeting. The national WMU president, Marjorie McCullough, was one of the many outstanding speakers. Much of the business of WMU is conducted at this meeting.

## **Summer Camp**

WMU owns and operates Camp Mundo Vista near Asheboro. This camp has been operating now for 20 years, and it is estimated that more than 30,000 girls have attended a camping session.

This summer there were 1,649 campers and 50 staffers. The camping program emphasizes missions and the Christian life. The theme this summer was "Rainbows and Promises."

Also held during the summer were three "Mother/Daughter Overnight Camps" which were one night camping experiences for girls grades one through three and their mothers with 610 attending these.

A highlight of each year at Mundo Vista are the special retreats held for women who are incarcerated at the North Carolina Correctional Center for Women. In the summer the residents are hosted by members of the camp staff. In the fall, Baptist women volunteers serve as hostesses. In 1989, 80 prison residents, security personnel and staff attended.

## **Ministries to Missionaries**

Approximately 250 North Carolinians currently serve as either career or associate missionaries with the Foreign Mission Board. These, and the missionaries from North Carolina appointed by the Home Mission Board, are aided in their work by WMU. A monetary gift is given to each at the time of appointment, and gifts of books and magazines are given annually to each of them. Monetary gifts are also given North Carolina young people who serve as Journeymen or US-2 missionaries.

An MK prayer calendar is printed in Tarheel Talk, and readers are encouraged to send cards as well as pray for these on their birthdays. MKs also receive a modest monetary gift at Christmas.

Associational Directors of Missions are also listed in Tarheel Talk according to their birthdays so WMU can undergird them in prayer as well.

## **São Paulo Partnership**

Woman's Missionary Union is heavily involved in the partnership with São Paulo, Brazil, and is endeavoring to support the effort by encouraging members to be a part of the associational teams, and also by sending staff to do leader training conferences. Dot Allred, president, spoke at the São Paulo WMU Convention and represented North Carolina WMU at several other churches and meetings.

## Personnel Changes

Janie Jeans resigned as financial secretary. Cheryl Cruickshank moved from part-time secretary into this position. WMU is committed to the programs and emphases of the Baptist State Convention, and endeavors in every way possible to fulfill the "helper" role of auxiliary status.

**Nancy Curtis, executive director**

# Fruitland Baptist Bible Institute

Fruitland Baptist Bible Institute, an agency of the General Board of the Baptist State Convention, provides training for adults called to church-related vocations. Most of the students left a secular vocation, in which they had been successful, to follow the call to ministry.

The school now offers a full first quarter scholarship to pastors of small Baptist churches in North Carolina. The scholarship covers the cost of tuition, room and board for the initial quarter.

Each Baptist association in North Carolina has a video tape on the school which is available to churches and interested groups. A free brochure is available to anyone who will call or write. The telephone number is (704) 685-8886. The mailing address is simply Hendersonville, N.C. 28739-9222.

With support through the Cooperative Program and generous Friends of Fruitland, the school is operating with a financial surplus, at this writing, of \$273,000. School facilities are modern and well equipped with a total value of more than \$4 million. The library has more than 22,000 volumes.

The enrollment of the school has been declining in recent years. Efforts to remedy that include the production of a promotional video tape produced by the Communications Division of the Baptist State Convention and distributed to each association in North Carolina, a regular paid advertisement in the *Biblical Recorder*, and the organization of alumni and Friends of Fruitland with a regional recruiter in each of the 10 regions, an associate recruiter in each association, and a plan for a recruitment rally in each region annually.

The current Board of Directors is made up of the following persons:

<b>Name</b>	<b>Relationship</b>	<b>Retires</b>
Michael W. Taylor	General Board	1989
E. Leon Smith	General Board	1990
Clyde A. Shuping	General Board	1991

# Christian Higher Education

## Council Membership

When the Council on Christian Higher Education was established in 1944, North Carolina Baptists were concerned about quality of education, harmonious relationships among the colleges, and a higher level of financial support for Christian higher education. For 45 years the Baptist State Convention has looked to the Council for leadership with the challenges and opportunities related to the mission of Baptist colleges.

The Council is comprised of the presidents, academic deans and chairmen of boards of trustees of six institutions: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith and Wingate; and the General Board's Committee on Christian Higher Education. The president, dean and trustee chairman of Wake Forest University are associate members of the Council. New members elected from the General Board are: John Hough Jr., Eugene Russell, and Sarah Williamson. Ex officio members of the Council are the executive director-treasurer of the Baptist State Convention, General Board president, convention president, president of the North Carolina Woman's Missionary Union, and the executive secretary of the Council on Christian Higher Education.

## Council Activities

All matters related to Christian higher education are either generated by or referred to the Council on Christian Higher Education. Ongoing matters of policy and budget, as well as periodic items of concern, are placed on the agenda for regularly scheduled meetings.

During the past year, the following areas of concern and interest have claimed the Council's attention:

(1) The two-year long Oral History Project was completed under the direction of Dr. Percival Perry. Twenty-six tapes and transcripts pertaining to the 1979 and 1985–86 negotiations between the Baptist State Convention and Wake Forest University have been deposited in the Baptist Historical Collection of Wake Forest's Z. Smith Reynolds Library for historical research.

(2) A special committee, chaired by Council President Hughes, conducted studies and negotiations with the Wingate College Trustees concerning a proposal to change the college name. The name "Cannon-Wingate University" is to be considered by the 1989 annual session of the Baptist State Convention in the form of a proposed constitutional change.

(3) An independent study of the division of Christian Education funds among six colleges is now in progress, to be completed in January 1990. The study is being conducted by Performance, educational consultants in Coral Gables, Fla.

(4) For three consecutive meetings reports have been received from Wake Forest University concerning a careful feasibility study of the need for a divinity school at a Baptist university. The Trustees have now recommended that a divinity school be established. A fundraising campaign is in progress.

(5) The death of Frankie Weems, wife of Meredith President John Weems, brought sadness to the colleges and many others within the Convention. Mrs. Weems died of leukemia on Jan. 16, 1989, following a lengthy illness.

(6) The Council took note, also, of the death of Ethel Smith, widow of the late Budd Smith, president of Wingate College, on Feb. 23, 1988; and the death of Hoyt Blackwell, president of Mars Hill College 1938–1966, on Nov. 8, 1988.

## **New Council President**

On Jan. 24, 1989, David M. Hughes became the 23rd person to serve as president of the Council on Christian Higher Education, succeeding Jerry E. Harper Sr. Dr. Hughes, pastor of the first Baptist Church of Elkin is a graduate of Wake Forest University, Princeton Theological Seminary and Southern Baptist Theological Seminary. As Council president he also serves on the General Board's Executive Committee, which acts upon almost all Convention matters of policy and business. The past year has been unusually challenging, and David Hughes' leadership has been particularly valuable.

## **Chowan Presidents: Whitaker; Jackson**

Bruce E. Whitaker retired from the presidency of Chowan College on Aug. 3, 1989, leaving behind a 32-year record of superior leadership in the field of Christian higher education. Mrs. Esther Whitaker also retired from her faculty position in the college's Department of Religion. On May 22, 1989, a Council dinner honoring the Whitakers was held at Meredith College. Dr. Whitaker's combined contributions to Chowan College and his varied services through the Council and the Convention comprise a proud record and a high standard.

Jerry F. Jackson became Chowan College's 20th president on Aug. 3, 1989. Coming most recently from his position as vce president for development at the Foreign Mission Board, Southern Baptist Convention, Dr. Jackson has compiled an enviable record of service and experience in Baptist higher education at Campbell University and Wingate College from 1963 to 1982. Mrs. Jackson (Carolyn) has been employed in public school administration. Construction of a new president's home was recently completed on the college campus. North Carolina Baptists will be proud and supportive of Dr. Jackson as he leads Chowan into the 21st Century.

**David M. Hughes, president**

**T. Robert Mullinax, executive secretary**

## Campbell University

The 103rd school year of Campbell University has been filled with numerous activities and events which came together to give us an excellent year. Campbell University, with its administrators, faculty and staff, continues to be mindful of the miracles God has wrought and has committed itself to strive harder to become an even greater instrument of service in the future.

Summer 1988 began with the usual rounds of summer camps, beginning with the 33rd annual Basketball School, the largest and oldest in the nation. Other camps which were held included Elderhostel, Cheerleading, Soccer, Swimming, Golf, Summerquest, Crosspoint and Baseball.

The 13th annual School of Pastors and Wives was held on the campus in July. Among the featured speakers were Dr. Charles G. Fuller, pastor of First Baptist Church in Roanoke, Va.; Dr. Landrum Leavell, president of New Orleans Baptist Theological Seminary; Dr. Peter Rhea Jones, pastor of First Baptist Church in Decatur, Ga.; Dr. Clyde Fant, dean of the chapel at Stetson University; and Rev. Harold Bailey, vice-president of the Annuity Board. The Campbell Board of Ministers also met during the week of Pastors' School and re-elected Norman Aycock, pastor of Richlands Baptist Church, as president.

The official school year opened in August with the annual Faculty Orientation. Featured speakers for the session were Rev. Russell Cherry, pastor of First Baptist Church, of Lumberton; Dr. Talmadge S. Infinger, pastor of Fellowship Baptist Church, Raleigh; and Richard B. Lawhon, director of the Talent Search Program at the University of South Carolina in Columbia.

The 103rd Convocation was held on Aug. 30 with Fred Smith of Dallas, Texas, receiving an honorary degree and delivering the keynote address.

Homecoming was held on the university campus on Oct. 1. The theme was "Bold Horizons" and activities included a general alumni meeting, Golden Key and Distinguished Alumni/Sports Hall of Fame Luncheons, a

parade, soccer game and Homecoming Ball. Those receiving the Distinguished Alumni Award, the highest honor the university bestows on graduates, were Elton Edwards '37, a Greensboro attorney; Mary Rose Felton '57, '84, an administrator and principal from Tarboro; J. Cullen Hall '36, a retired physician of Salisbury; John Robert Meredith '50, a Pennsylvania businessman; William Ray Pope '55, president of Pope Distributing Company; and W. Mack Roberts '66, pastor of Village Drive Baptist Church in Fayetteville.

Another highlight of Homecoming was the formal dedication of the James Nisbet Tennis Center. Nisbet, a Charlotte businessman, and his wife Betty served as Grand Marshals for the parade.

In September, the Trustees of Campbell announced that the University's School of Law would be officially named the Norman Adrian Wiggins School of Law in honor of Campbell President Norman Wiggins. The announcement was made at a dinner at Raleigh's Marriott Hotel with some 350 guests in attendance.

Dr. L.B. Reavis of Fort Worth, Texas, delivered the address for the 103rd Founder's Day services held in January. Dr. Reavis was awarded an honorary degree along with Campbell benefactor E. P. Sauls. Also honored during the day was Mrs. Miriam Sexton Mitchell of Winston-Salem, who received the 1989 Alumni Service Award. The first Campbell University mace was presented during the Founder's Day service. On the mace are six flanges, each containing a seal representing the growth of Campbell beginning with Buies Creek Academy, Campbell Junior College, Campbell College, Campbell University, the Baptist State Convention of North Carolina and Tunku Abdul Rahman College in Malaysia.

Campbell law professors and students embarked on a new experience in February as they tried to help 100 Soviet Pentecostal emigrés who were denied refugee status by the Immigration and Naturalization Service in Rome. Six task force members from the law school helped 47 emigrés to enter the United States. Another exciting first for the law school came with the announcement of the Foreign Study Program in Guatemala. The ten-week pilot project involved a unique cross-cultural third world experience which provided a special context for the study of law focusing on international and comparative law.

The ROTC department of Campbell also experienced a busy and exciting spring as the JROTC Drill Meet honored the six North Carolina recipients of the Congressional Medal of Honor. The medal is the Nation's highest award for bravery. The ROTC was honored in April as one of three best units in the nation. The awards were announced by the General Douglas MacArthur Foundation.

The school year concluded in May with North Carolina Associate Justice Louis B. Meyer delivering the commencement address. Dr. Russell Cherry gave the commencement sermon. Both men received honorary doctorates, as did Dr. James Magowan of Belfast, Ireland. Milford Quinn of Warsaw and 1989 graduate James A. Rogers of Southern Pines each received the Algernon Sydney Sullivan Award.

During the school year, the university community was saddened by the loss of several persons whose lives were closely intertwined with the school. Among them were Clayton Fulcher, husband of former trustee Mrs. Iris Fulcher of Atlantic (July 9); Mrs. Lottie Marshbanks, 100-year-old wife

of the late B.P. Marshbanks, former teacher, business manager and vice-president, (Feb. 10); Mrs. Lanie Bryan, Buies Creek, longtime benefactor of Campbell and member of the Presidential Board of Advisors, (April 17); Alfred Stancil, Rocky Mount, vice-chairman of the Board of Trustees, (April 15); Henry B. Wyche, Whiteville, former trustee of Campbell of Campbell, (April 17); and Dr. Frank Weyer, Hastings, Nebraska, former chairman, Department of Education, (April 13).

For 39 years, including the 1988–89 school year, the university has operated on a balanced budget. The majority of the indebtedness of the university is self-liquidating. The indebtedness constitutes no threat to the sound financial operation of the university.

Campbell University continues to be grateful for the consistent support of North Carolina Baptists through the Cooperative Program. We believe North Carolina Baptists will be pleased to know that all Cooperative Program funds received by Campbell University are used to help fund our scholarship program for worthy and needy young people.

Thank you North Carolina Baptists for your continuing support of Christian higher education.

**William M. Womble Sr., chairman, Board of Trustees**  
**Norman W. Wiggins, president**

## Chowan College

The 141st academic year in the life and educational mission of Chowan College was brought to a successful conclusion with commencement exercises on Sunday, May 14, 1989. The awarding of degrees and diplomas on that occasion to one hundred fifty-six (156) young men and women who had successfully completed requirements for graduation marked the culmination of an eventful year which had been inaugurated some nine months earlier with the annual Faculty/Staff Workshop (Aug. 18-19), the arrival of students (Aug. 21-22), and registration for Fall Term classes (Aug. 23). The course of the year witnessed significant progress related to the college's academic and fiscal programs. It also witnessed the virtual completion of a tenure of more than 32 years as chief administrative officer of the college on the part of President Bruce E. Whitaker, he having announced his intention of retiring from that office, effective June 30, 1989.

Fall Semester enrollment totaled 966 (FTE); Spring Semester enrollment, 817 (FTE). These figures indicated significant increases over the previous academic year (1987–88), when comparable statistics for the Fall and Spring semesters were 909 (FTE) and 719 (FTE), respectively. Enrollment figures for each semester proved to be in excess of those projections upon which the college's annual operating budget had been based for the fiscal year, June 1988–May 1989.

Considerable attention was directed throughout the year to a more thorough exploration of the college's educational goals and objectives,

designed to assist in evaluating institutional effectiveness with regard to the entire educational program. This process issued in the eventual adoption of a series of eleven "Expected Educational Results," together with assessments of how the fulfillment of each would be determined or ascertained. While these expected educational results represented neither innovation nor departure in terms of the college's long standing expectations of and commitments to her students and other constituents, they do bring such expectations/commitments into sharper focus. Moreover, they are expected to serve as useful instruments in the processes of planning and evaluation for the future.

Two items are particularly noteworthy with regard to the fiscal operations of the college. First, announcement was forthcoming in mid-September 1988, that gifts and/or pledges to the current Mission Excellence Development Campaign had surpassed the initial minimum goal of \$4,000,000. Since this minimum goal had been attained prior to the launching of the "general gifts" phase of the effort, it was determined that the campaign would not be pronounced complete until the college's larger general constituency had been given further opportunity to participate. Continued progress eventually prompted the Board of Trustees to extend the campaign until Aug. 2, 1989, and to revise the goal upwards to \$5,000,000.

Second, excellent enrollment for the academic year, together with sound, conservative management of resources, enabled the college to extend her record of fiscal "operation in the black" to 31 consecutive years. Moreover, debt retirement on the one long-term, low interest loan which is outstanding remained on schedule, with more than adequate cash reserves to liquidate that indebtedness, when deemed desirable. Total plant fund indebtedness as of May 31, 1989, amounted to \$444,040.

Administratively, the period under review witnessed the culmination of 32 years as chief administrative officer of the college on the part of President Bruce E. Whitaker, he having announced his desire to retire from the presidency at the semi-annual meeting of the Board of Trustees/Board of Advisors, Sept. 18, 1988. The record of institutional advancement under his administrative leadership has been well summarized in the college's series of annual reports to the Baptist State Convention since 1957. It is a record which surpasses, in many measurable respects, the cumulative attainments of the college throughout her entire 109-year history prior to the Whitaker Years.

The diligent and faithful work of a representative Presidential Search Committee—appointed by the chairman of the Board of Trustees in September 1988—issued in the election by the Board of Trustees, May 16, 1989, of Dr. Jerry Francis Jackson as President of Chowan College, effective Aug. 3, 1989. Dr. Jackson, who has served as Vice-President for Development, Foreign Mission Board of the Southern Baptist Convention since 1982, brings a wealth of administrative experience and expertise to the post with which he has been entrusted. The future of the college should continue to be a bright one under his administrative leadership.

That portion of Cooperative Program receipts which is distributed for Christian Higher Education through Chowan College remains vital to the fiscal health of the institution. Each student enrolled during the past academic year has been the beneficiary of almost \$1,000 towards the

actual cost of his/her educational opportunity, courtesy of the churches in friendly cooperation with the Convention and her programs/ministries. The College administration, faculty, and staff continues to be grateful for that strong measure of support for the pursuit of her educational mission which has been forthcoming from the churches, through the Convention. Moreover, students have been reminded frequently of the confidence which North Carolina Baptists are placing in them through such generous support, and they have been urged—accordingly—to contribute their best efforts towards making the most of the opportunities accorded them.

Furthermore, the college has remained eager to cooperate with and contribute to the promotion of the welfare of the churches through programs/activities beyond the confines of the basic curricular offerings or programs. Accordingly, cooperative college/denominational ventures in ministry have been sponsored during 1988-89 with the Division of Youth and Campus Ministries (BSU and related programs); Council on Christian Higher Education (Baptist College Day, representation at associational meetings); Division of Church Programs (January Bible Study Institute); Division of Missions (promotion of North Carolina Missions Emphasis, maintenance of an on-campus Baptist Resource Center); and the Baptist Men's Auxiliary (Royal Ambassador "See Chowan College" Day). Individual members of the campus community have also been encouraged to contribute their time and talents to the welfare of the local churches of the community, with many of these making significant commitments, indeed, to the congregations with whom they have affiliated themselves.

In closing this report, particular memorial note is taken of the following former members of the Board of Trustees and Board of Advisors who have departed this life since the filling of the report for 1987-88: Charlie Thomas Whitley, member, Board of Trustees (1971-74, 1976-79), who died on Jan. 14, 1989; Haywood Dail Holderness, member, Board of Advisors (1966-68), who died on March 17, 1989; Charles Wesley Duling, member, Board of Trustees (1948-51), who died on June 9, 1989; and Lester Vincent Lowe Jr., member, Board of Advisors, who died in July 7, 1989.

## **Gardner-Webb College**

Founded in 1905 as a boarding high school, Gardner-Webb is the youngest of the North Carolina Baptist colleges and universities. However, the College continues to experience growth, both in terms of quality and quantity. By policy, all faculty members are committed Christians with significant academic training and practical experience. Approximately 70 percent of the Gardner-Webb faculty members hold earned doctorates from accredited universities worldwide. As a group, Gardner-Webb's

faculty members are recognized as master teachers, a long-standing tradition at Gardner-Webb. Quantity at Gardner-Webb means growth. The College expects to set an all-time record enrollment in fall 1989 for the fourth consecutive year.

Beginning his fourth year as president, M. Christopher White renewed the covenant that Gardner-Webb will remain true to the Christian heritage from which it has grown and drawn strength and purpose during its 84-year history. Gardner-Webb is proud of its Baptist heritage, is grateful for the financial support it receives from the Cooperative Program and is enriched by the harmonious relationship it enjoys with the denomination. More than 64 percent of the students are North Carolina Baptists, a significant measure of the confidence North Carolina Baptists place in Gardner-Webb.

The College's \$5.9 million capital campaign is still underway. The Rutherford County portion of the campaign closed out in February. By the end of July, over \$4 million had been raised. These dollars have enabled the College to complete much needed renovations of residence halls on campus, including the addition of air conditioning. The College received \$2.7 million in total gifts last year, the best year in the school's history.

The operating budget for the current year is \$15.3 million. Total indebtedness of the College, as of June 30, 1989, was \$2 million. Debt liquidation is proceeding according to schedule.

Approximately 65 percent of Gardner-Webb students receive financial aid. The Office of Financial Planning assists parents with asset management to help them meet educational costs. A number of new scholarships were endowed last year by friends of the college.

Ralph Dixon Jr. joined the College in January 1989 as vice president for college relations, replacing M. Henry Garrity, who retired. Mr. Dixon serves as the College's chief development officer.

In the area of student services, the position of Director of Freshman Programs has been created. The program is devised to improve student retention, particularly among freshmen.

Gardner-Webb has experienced a substantial growth in enrollment. Spring Commencement 1989 graduated approximately 295 students with associate's, bachelor's and master's degrees. Summer commencement graduated another 240 students.

Dr. Ten Monroe, associate professor of math and computer science, was the 1989 recipient of the Fleming-White Award for Excellence in Teaching. This award was established by President and Mrs. White in honor of their parents to recognize the College's outstanding faculty. Dr. Launita Proctor, professor of health education and physical education at Gardner-Webb and head of the Cleveland County Special Olympics, was a recipient of this year's WBTV Jefferson Award.

Two Gardner-Webb staff persons retired this year, M. Henry Garrity as vice president for college relations, and Betty H. Logan as transcript evaluation officer.

Deaths this year within the Gardner-Webb family included Bob Mason, former adjunct professor; Clifford Hamrick Sr. of Boiling Springs, former trustee; Ann Blanton Hardy of Greensboro, an alumnus and former trustee; Sam A. Wilson of Lincolnton, former advisor; L.T. Hamrick of Shelby, an active member of the Christian Service Organization and the

Bulldog Club; Marjorie Hoyle Rogers of Shelby, an alumnus and member of the alumni board of directors; Jonathan G. Gullick of Belmont, an advisor.

Construction began on the Graven E. Williams Observatory this summer. Work on the \$107,000 observatory is being done by the North Carolina Baptist Men. The observatory will be the only one within a 40-mile radius of the campus and will offer telescope capabilities that equal or surpass any facility in western North Carolina.

Another highlight for the College was the release of the autobiography of Dr. Forrest Chalmers Feezor, as told to Dr. Garland Hendricks. The book, "Forrest Feezor: Spirit-Led Man of God," is a project of the Christian Service Organization. The Christian Service Organization has launched a three-year campaign to achieve the dream of a \$1,000,000 endowment.

The trustees are happy to report that Gardner-Webb College, founded by Baptists as a place "where students could have the best possible educational advantage under distinctive Christian influence," remains true to that original purpose that brought the College into existence.

**Lloyd Bost, chairman, Board of Trustees**

**M. Christopher White, president**

## Mars Hill College

1988-89 was the most rewarding in several years. Fall Semester began with the encouraging record of more students enrolled than were expected. The enrollment held for the Spring Semester, enabling the College to experience a good financial balance.

The Broyhill Chapel project, with the assistance of North Carolina Baptist Men, is now complete. Four hundred twenty-three volunteers brought their talents and skills to build a place of worship on the campus. Although the chapel and fellowship hall were used for two weddings during the summer months, the official dedication/worship service was held on September 12, 1989, and "Volunteers Day" was held on Sept. 16, 1989. We give thanks to God for causing this dream to become a reality!

The College is in the process of Self-Study for its 10-year reaffirmation of accreditation visit by members of the College Commission of the Southern Association of Colleges and Schools. Their visit will occur in March 1991.

The Campaign for the Future, a \$10 million, five-year effort, is moving along on schedule. At the conclusion of the second year, 1988-89, commitments totaled \$6 million. The largest single item in the campaign, \$3 million for scholarship endowment, has been solicited. During 1989-90 efforts will continue to raise the funds necessary to construct a college dining hall.

The college family, including 20,000 alumni, was saddened by the death of Dr. Hoyt Blackwell on Nov. 8, 1988. Known affectionately as

"Daddy Blackwell," Dr. Blackwell served as president of Mars Hill College from 1938 until 1966. He led the College through many transitions, including moving from junior college to senior college status in 1962. We were also saddened by the death of long-time trustee Dr. Robert H. Owen of Canton. Dr. Owen, a graduate of Mars Hill College, served as trustee from 1955 to 1959, plus four additional terms beginning in 1966 and concluding in 1984. He was named an honorary life trustee in 1984.

At the close of the academic year 1988–89, the College had a long-term capital debt of \$1,729,303.45, with assets exceeding \$40 million.

The Cooperative Program continues to be the single most important resource of support exclusive of student tuition and fees. Baptist gifts allow us to nurture those young people entrusted to us for Christian Higher Education. We extend our thanks to each church member who participates in this very important ministry.

**Troy L. Day, chairman, Board of Trustees**  
**Fred B. Bentley, president**

## Meredith College

Meredith College was ranked 15th among the nation's 167 small comprehensive colleges by *U.S. News and World Report* in its October 1988 edition. The magazine based its findings on the quality of the student body and faculty, financial resources, and the percentage of freshmen who eventually graduate.

As the largest private college for women in the Southeast, Meredith had a 1988–89 enrollment of 2,138, including 232 students who were enrolled in graduate programs pursuing master's degrees in business administration, education, and music. By vote of the Board of Trustees, the graduate studies program now officially bears the name of The John E. Weems Graduate School of Meredith College.

In the undergraduate curriculum, students select from 31 majors in 15 academic departments. Interdisciplinary majors also give students some flexibility in following their academic interests and preparing for their chosen professions. Classes average about 17 in number, making it possible for students and for faculty whose primary task is teaching to interact on a personal level and in an informal atmosphere. About 10 percent of the student body is composed of women who are 23 years of age or older and who entered Meredith through the continuing education re-entry program. Continuing education also offers certification in its Legal Assistants Program and in Cultural Resources Management. Short courses for enrichment and professional development also bring people to the campus for study and community activities.

Recent possibilities added to the study abroad program is an art semester in Paris as well as language study in China. Another innovative addition to the Meredith program was establishment of the Fletcher School of the Performing Arts, through which world-renowned musicians, actors,

directors and other artists will spend time on the campus performing and leading seminars.

Meredith is one of two private colleges in North Carolina selected to participate in the Teaching Fellows Program and completed its first year of that program in 1988–89.

In May 1989 Meredith graduated its largest class and awarded 457 degrees: 161 Bachelor of Arts, 238 Bachelor of Science, 17 Bachelor of Music, 29 Master of Business Administration, six Master of Education, and six Master of Music. At Commencement in 1989, a new College mace was presented by Egbert L. Davis of Winston-Salem and used for the first time as part of the graduation ceremony.

As costs for private education continue to rise, North Carolina Baptists and other friends of Meredith keep the College accessible to middle income families and make available financial assistance for those young women who cannot afford to pay full tuition. In 1988–89, 529 Meredith students received \$2,371,000 in assistance, 68 percent of which was in grants and scholarships.

During the fiscal year, gifts and grants to Meredith totaled \$2,819,427.50, with \$976,273.04 of this amount having been received through the Cooperative Program. Alumnae support increased in amount: 39 percent of alumnae contributed \$916,323.48.

Meredith ended the 1988–89 fiscal year with assets of \$44,317,000 and an indebtedness of \$3,165,000.

The Centennial Commission was established to plan observance of the 100th anniversary of the Charter of the College in 1991. The theme selected for the celebration is 1891–1991: "Honoring Our Heritage ... Expanding our Vision."

Meredith regrets the loss of Jonathan Gullick, trustee; Beatrice Donley, professor of music, 1942–81; and Frankie Gooch Weems, wife of President John E. Weems.

**John E. Weems, president**

## Wake Forest University

At its spring meeting the Board of Trustees approved the concept of a divinity school at the University. It noted that the school will require a start-up and operating budget equivalent to the income from an unrestricted endowment of \$15 million. It authorized the appointment of a review committee to determine when sufficient funds have been received to implement plans for the school. Robert Spinks, formerly vice-president for development at the Southeastern Baptist Theological Seminary, is the development officer for the divinity school.

With the first of two debates for the 1988 Presidential campaign taking place on the Wake Forest campus, there was great excitement as the two candidates presented their credentials and nearly 1,200 media people

convened and reported the action to the nation and world. The University was pleased to have this opportunity to be of service to an international audience.

Dr. Charles H. Talbert, a professor in the Department of Religion, and four other professors were honored with endowed chairs carrying the designation of Wake Forest Professorships. The Wake Forest Professorships were established this year to recognize tenured, full time faculty who have distinguished themselves through superior teaching and scholarship.

Financially, the University had an exceptional year, receiving \$27,319,897 (including in kind gifts) from the private sector. The budget exceeded \$207,000,000.

The enrollment of the University for the 1988-89 school year was 5,337 with 3,531 of these being in the College and the remainder in the Bowman Gray School of Medicine, the Law School, the Babcock Graduate School of Management and the Graduate School for the Arts and Sciences. The College provided \$10.4 million in financial aid.

Wake Forest continued to seek to be of service to the Convention and to the Baptist people of North Carolina. It provided 44 William Louis Poteat Scholarships. The number to be granted each year has been increased from eleven to fourteen. The value of the scholarship is \$3,000 per year.

In addition to the Poteat award, scholarships are available for the children of Southern Baptist foreign missionaries and for students preparing for the ministry. Tuition concessions are made to ministerial students; and to the children of ministers, officials of the Baptist State Convention, and those of professors employed by North Carolina Baptist colleges or universities who are ordained ministers. Pastors themselves are also eligible. There is also a fund from which ministerial students may be assisted when there is special need.

Each year the University contributes to the continuing education of the ministry by conducting a week-long Pastors' School and a two-day conference on preaching and theology.

In an effort to acquaint high school students with college life and Wake Forest in particular, the school observed Baptist Student Day which approximately 500 students and their sponsors attended. The University was pleased to have the Executive Committee of the General Board hold one of its meetings on campus. As for many years in the past, it was glad to have church staff members and their families present for Pastors' Football Day.

Robert K. Walsh, a former dean of the Law School of the University of Arkansas at Little Rock, became the Dean of the Wake Forest Law School. John B. McKinnon, former president of the Sara Lee Corporation, was appointed Dean of the Babcock Graduate School of Management.

The life of the students and the community was enriched by many extra curricular events including the Secrest Artists Series; the Tocqueville Forum, which consisted of eight lectures that compared post-constitutional thought to that of the founders; and a series of four lectures on "Modern Science and Human Values."

The Olin Physical Laboratory, which will house the physics department, was completed during the year and good progress is being made toward raising \$26.5 million which will be required for the construction of

the professional building which will house the Law School and the Babcock Graduate School of Management. Cesar Pelli, noted architect, has been employed to prepare the plans for the building.

The University was saddened by the death of Addison Hewlett Jr. of Wilmington, a graduate of the College and the Law School and a Life Trustee.

**Weston P. Hatfield, chairman, Board of Trustees**  
**Thomas K. Hearn Jr., president**

## Wingate College

A continued upward climb in enrollment and a record-breaking year in voluntary financial support were but two benchmarks which reflect the success and vitality of the 1988-89 academic year.

Applications for the 1988 freshman class increased by 23 percent over the 1987 figure. Likewise there was a similar increase in the number of enrolled freshmen from 390 in 1987 to 437 in 1988. Spurred by this increase, overall enrollment totaled 1,729 compared to the previous year's 1,686. This modest increase indicates a healthy and well planned growth pattern for Wingate. While we do wish to increase our enrollment over the next few years, we will do so only as we are able to maintain the close, personal attention that our students have come to expect.

While latest figures show a slight decline in overall giving to colleges nationwide, 1988-89 gifts to Wingate College totaled \$2.8 million, the largest amount ever contributed to the college in a single year. Foundations contributed nearly \$1.1 million and trustees nearly \$950,000 during the fiscal year. Donors, totaling 1,458, also included alumni, corporations, individual Baptist churches, parents, and friends. Approximately 85 percent of the contributions went to Wingate's current capital campaign, Plan for the Second Century: Vision for Excellence. In addition to the \$2.8 million in gifts, the college received more than \$955,000 from the Baptist State Convention of North Carolina.

Commencement exercises were held in Charles A. Cannon Complex on May 6. In spite of rain showers outside, spirits were full of thanksgiving and fulfillment. The Class of 1989 included approximately 250 recipients of the associate, bachelor's and masters degrees. The Charles and Hazel Corts Award for Excellence in Teaching was presented to Dr. G. Byrns Coleman, professor of religion and philosophy and chairman of the division of humanities. The Fred H. Allen Award for Christian Leadership and Service went to Eric W. Morphis of Kenersville. The C.C. Burris and the H.K. Helms Awards were presented to April A. Hoyle of Kings Mountain. Roger L. Beasley of Monroe and T. Rhett Brown of Pelion, S.C., received the A.F. Hendricks Award. The Budd E. and Ethel K. Smith Cup went to Julie A. Barbee of Locust. President Corts charged the graduates with the responsibility of being the guardians of the college's legacy.

Wingate's international emphasis was greatly enhanced this academic year by the continuation of the missionary-in-residence program. David Smith, former campus minister and trustee of the college, furloughed with his family, residing in a campus home which had been beautifully restored through the efforts of the Woman's Missionary Union organizations of the Anson and Union Baptist Associations. While at Wingate, David taught several courses, and the entire Smith family helped raise missions awareness by speaking to many campus and church groups.

In January, Jack and Doris Hancock moved from the Caribbean Islands to Wingate. For many years they were Southern Baptist missionaries in Haiti. Taking early retirement, they moved to Wingate on an eighteen-month assignment to serve as missionaries-in-residence as well as to develop and direct the College's new community service program. The challenge fit well with Jack's gift as a human needs consultant, and the results of his efforts in the service program are eagerly awaited.

The "Wingate-Ecuador Connection" likewise flourished. This program is an ongoing cooperative venture between the college and Baptist mission efforts in Ecuador. Two Wingate students spent the summer of 1988 in Quito assisting the youth ministry of First Baptist Church and also devoting special attention to the children of missionaries. Seven students, accompanied by Jack Hancock and campus minister Jim McCoy, spent their 1989 spring break in Quito. The team presented programs in churches and schools, and assisted in a work project of renovating a dormitory.

In 1988-89, 54 Wingate College students were preparing for vocations in Christian ministry. Seven students were preparing for the pastorate; 10 for music ministries; 10 for missions; and 27 undesignated Christian vocations.

Founders Day ceremonies in February celebrated Wingate's commitment to academic excellence and the pursuit of scholarship. Dr. John E. Johns, president of Furman University, delivered the convocation address. Other program participants included Dr. W. Henry Crouch, Charlotte; Rev. J. Grady Faulk, Pineville; and Dr. T. Robert Mullinax, Raleigh.

World awareness continued as the cornerstone to the Wingate educational experience. The Great American Heritage Program, which provides sophomores an urban living experience, completed its second year. Funded by the Jessie Ball duPont Fund, this is a domestic study/travel program which introduces young people to our nation's rich heritage and traditions. Students and professors traveled to New York City and Washington, D.C. Winternational, the second of the college's world awareness programs, allowed qualified juniors to study and travel abroad in London, Vienna, Helsinki, Leningrad and Paris. Winternational continues to expose students to the cultural smorgasbord of Europe and thus expands their world view.

L.L. "Leck" Helms, '27, was named Wingate College Distinguished Alumnus for 1988. Mr. Helms is a Wingate native and a long-time trustee.

Two exemplary student athletes were honored with the designation of NAIA Scholar Athlete (formerly called academic All-American). David McDuffie of Sophia, an outfielder on the baseball team, and Julie Barbee of Locust, a tennis player, were honored for their winning combination of classroom and athletic achievement.

The gifts and prayerful support of North Carolina Baptists who provided funds individually and through the Cooperative Program demonstrated their dedication to quality higher education and the enhancement and enlargement of Wingate's ministry of service. The college is deeply grateful to all who with keen interest participated in this year of achievement. The college once again operated on a balanced budget during 1988-89, and it continues to be thankful for its ability to be managed debt free and without use of borrowed funds or government support.

# Christian Social Services

The three social service institutions depend heavily on the Homes and Hospital Offering along with their Cooperative Program gifts. All gifts to the Homes and Hospital Offering are used strictly for benevolent care. For the past several years the Homes and Hospital Offering has been received during the month of May. The recommendation for a return to individual offerings is to be voted on during this annual session of the Baptist State Convention. The position of the institutions is that this will offer increased support, but also afford a time for education as to their "mission." The institutions believe the approval of this recommendation is vital to their future.

The past year Baptist Hospital has been characterized by growth in facilities and personnel, advancement in medical technology, and continuation of the spirit of personal concern which springs from the hospital's Christian heritage and its denominational tie.

Occupation of the new North Tower is almost complete, increasing the hospital's bed capacity to 806. These and other new facilities will make it possible not only for our hospital to serve more people but to serve them better.

Medical research has resulted in numerous advances in patient care which attract patients from across the country and around the world. Last year the 22,100 persons admitted to Baptist Hospital came from almost every county in North Carolina, from 35 states, and from eight foreign countries.

During the past fiscal year, Baptist Hospital received \$668,937.39 through the Cooperative Program and \$303,133.07 through the Homes and Hospital Offering including church gifts directly to the hospital.

Like salmon, Baptist Children's Homes (BCH) this year struggled upstream to get ahead of problems that plague America's children and families.

While maintaining quality group care services in place since 1885, BCH also inaugurated two innovative ministries in Care House, the first home for teen-age mothers and their babies anywhere and the Philpott Parent Aide Program.

Care House, where five teen-age mothers will learn to parent their babies and finish their high school, was dedicated June 4 during services at Lenoir's Lower Creek Baptist Church. Also dedicated then was the Marguerite Noel Home for Girls, a second behavior change home.

In the Philpott Parent Aide Program in Davidson County trained volunteers will establish relationships with homes labeled "at risk" for child abuse. The volunteer will be counselor and friend, critic and confidant for families to help them spot and correct areas that lead to child abuse or neglect.

Celebration of the 75th anniversary of Kennedy Memorial Home in Kinston was on July 1. Vital partnerships with state convention departments and auxiliaries, most notably Evangelism, Brotherhood and WMU continued in 1989. The musical evangelism team, Witness, lets BCH share its ministry at most of the Witness concerts.

BCH continues to garner popular support with North Carolina Baptists who contributed \$1.52 million through the Cooperative Program last year and \$626,029 by means of the Homes and Hospital Offering and special gifts. In 1988–89, more than \$1 million has been received in bequests.

BCH, which began as an orphanage in Thomasville in 1885, operates four group care campuses, eight emergency care homes, a home for unwed mothers, a teen mother/baby home, two behavior change homes for girls, therapeutic camping and a model child development center. It has work in 17 locations across the state.

This marks the 38th year of ministry by the Baptist Retirement Homes to the Baptist older adults of this state.

Charged in 1951 with the mission of providing residential care for "Aged Saints," the Homes provide care for older adults in five locations across the state (Albemarle, Asheville, Hamilton, Winston-Salem, and Yanceyville).

A new continuing care retirement community, Brookridge, located in Winston-Salem opened for operation in the fall of 1989.

Recognizing the growing need for quality residential care for older adults, the Board of Trustees of the Retirement Homes has formulated a three-pronged long-range plan to meet this need:

- To work with churches and associations in the development of regional continuing-care retirement communities in the West, the Piedmont and the East.
- To work with churches and associations in the development of "free-standing" residential housing (independent-living units, assisted-living units and nursing-care units).
- To work with churches and associations in the development of alternative forms of residential care for older adults (Respite Care, Adult Day Care and Home Health Care). To accomplish this mission, during this past fiscal year the Retirement Homes received \$454,859 through the Cooperative Program and \$265,642 by means of the Homes and Hospital Offering and special gifts.

One of the greatest challenges North Carolina Baptists face as they move into the 21st century is the question of how residential-living situations for Baptist older adults are to be provided.

Progress continues in each of our three institutions to answer God's mandate to do the healing and caring in His name. Surely, "care must find a way!"

As children's needs continue to increase in severity and immediacy, BCH appreciates the state convention's General Board adopting a proposal of a special study committee to return individual special offerings to Baptist Children's Homes, Baptist Retirement Homes and Baptist Hospital. Messengers will vote on the proposal at the annual meeting in November 1989. BCH supports a positive vote.

## **Baptist Retirement Homes of North Carolina**

Our nation is growing older. It has been said that in the years to come the "Baby Boomers" will spend more time caring for their aging parents than they did rearing their children. Since the beginning of the century, the number of Americans over 60 years of age has increased seven-fold. Older Adults now account for approximately 12 percent of our population. Projections from the U.S. Census Bureau note that the elderly in America will account for more than 20 percent of the population by the year 2,050.

What we see happening in our land in general is even more evident demographically in terms of the constituency that composes North Carolina Baptist Life. The majority of rural Baptist churches in the state with memberships of less than 250 resident members are experiencing a sharp increase in their over 60 population (20-30 percent). Many have congregations that exceed 50 percent in terms of members over 60 years of age.

All of the above leads our institution, the Baptist Retirement Homes of North Carolina, to feel that one of the greatest challenges facing North Carolina Baptists as they move into the next decade is providing long-term residential care for Baptist Older Adults statewide and to do so both within and without the institutional setting.

In an attempt to help North Carolina Baptists meet the above mentioned challenge, the Baptist Retirement Homes in 1988-89 has:

1. Completed the development of a new continuing care retirement community in northwest Winston-Salem, the Brookridge Retirement Community.
2. Continued to pursue state approval for the development of a Health Care Addition to the Western North Carolina Home in Asheville.
3. Attempted to locate a site that can be used for the development of a continuing care retirement community in eastern North Carolina.
4. Attempted to develop alternative methods to provide long-term care ... home health care, adult day care, respite care, "Life Care Without Walls," etc.

The challenge facing North Carolina Baptists in regard to their aging brethren is significant. If this challenge is to be met, it will require the best that we have in terms of our prayer life, our mental and physical resources and our financial means. Working together, though, North Carolina Baptists can provide a future for the aging saints of our Convention that is both secure and hopeful.

## North Carolina Baptist Hospital

The past year at Baptist Hospital has been characterized by growth in facilities and personnel, advancement in medical technology and continuation of the spirit of personal concern which springs from the hospital's Christian heritage and its denominational tie.

Occupation of the new North Tower is almost complete, increasing the hospital's bed capacity to 806. Construction of the Clinical Sciences Building is expected to be completed by 1990. The Medical Center Boulevard is currently being moved to make ready for expansion of the Patient/Visitor Parking Deck. Two new helicopter pads, one for the AirCare helicopter and a second for helicopters from other medical centers, will be located on top of the parking deck. The J. Paul Sticht Center on Aging will be built on the approximate site of the current helicopter pad. These new facilities will make it possible not only for our hospital to serve more people but to serve them better.

In recent months the hospital's Level One Trauma Center has seen further development of its critical care transportation system by adding to the helicopter ambulance service its own neonatal ambulance for critically ill infants. The CommView Computer System, developed jointly by the

Department of Radiology and AT&T, digitizes images, stores large volumes of data and transmits the images via fiberoptic cable throughout the Medical Center and via satellite to other hospitals without any x-ray film. Some brain tumors can now be successfully treated by implanting a tiny radioactive pellet directly into the tumor. Other types of cancer can be treated by hyperthermia which carefully focuses microwaves to raise temperatures inside a tumor to 102 degrees to 105 degrees Fahrenheit to kill or injure cancer cells. A technique called Mohs Micrographic Surgery allows the removal of skin cancer with minimal damage to normal skin.

These and other advances in patient care attract patients from across the country and around the world. Last year the 22,100 persons admitted to Baptist Hospital came from almost every county in North Carolina, from thirty-five states, and from eight foreign countries.

The Department of Pastoral Care continues its ministries to: the patient in the hospital; the family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers in Winston-Salem, Fayetteville, Morganton, Charlotte, Rockingham, North Wilkesboro; the ministers who seek our courses in clinical instruction, equipping them for specialized and pastoral ministries.

Added to these are our "Pastors' Sabbath" and "Interim Church" programs, as we work closely with the North Carolina Baptist State Convention in addressing the needs of pastors and churches.

We renew our commitment to the faithful delivery of pastoral care, beginning in our Medical Center and reaching across the world.

Baptist Hospital continues to feel the effect of the health care personnel shortage, especially as it attempts to open new facilities. However, we do not have any beds closed due to shortages. The Code Blue Program in high schools of northwestern North Carolina and the appeal to Baptist youth through Acteens is also creating interest in health care careers.

During the past fiscal year Baptist Hospital received \$668,937.39 through the Cooperative Program and \$303,133.07 through the Homes and Hospital Offering, including church gifts directly to the hospital. The hospital staff and patients are grateful for the services made possible by these gifts.

# North Carolina Baptist Foundation

"Strengthening for Greater Service" had special meaning for the trust agency of the Convention during the past year. Noting the progress made during its 69-year history in undergirding the financial support for the Convention, its churches, institutions, and mission causes, the Foundation recommitted itself to greater service to these causes.

With concern that it performs its mission efficiently and that it involves more Baptists effectively in supporting the cause of Christ, the Foundation carefully embarked upon a capital campaign to secure funds for the construction of its own building to house its development and administrative offices.

Since its staffing in the early 1950s, space for the Foundation has been provided in the Baptist Building. With the consistent rapid growth in assets managed and services provided by the Foundation, the current space has become inadequate to properly perform the on-going work of the agency. We are pleased to report that the majority of the funds necessary to construct the new building have been secured. The new building will be erected beside the Baptist Building in Cary and we are hopeful that it will be ready for occupancy by the end of this year.

In engaging in this project, it has been of utmost importance to our Board of Directors and staff that the on-going responsibilities of the Foundation not be neglected during the campaign. Indeed, the need for increased financial support for Baptist institutions, missions, and other ministries has not diminished, and has remained our first priority. It is essential that more individual Baptists become aware of the possibility of sharing the message of Christ beyond their lifetime. Seeking to fill this role, the Baptist Foundation is the only entity which receives endowment gifts for any and every Baptist cause. Through trust and endowment funds established by individuals, churches, and associations, the principal is invested and income is paid regularly and perpetually to the cause or causes named by the donor.

Total assets of the Foundation are now approaching \$17 million, of which \$3.8 million was added in 1988 alone, making this the greatest year of growth in the Foundation's history. Last year, \$1,258,775 was paid to Baptist work and to individuals designated in charitable remainder-type trusts. This latter agreement provides for income to be paid to the donor (or other individuals) for a specific period of time and then to charitable causes thereafter. Through this method of making gifts to Christian causes, the donor is assured that heirs are not neglected and that Christian causes will eventually benefit from the estate.

We are continually grateful for the support of Baptists across the state who support the mission and ministry of the Foundation. We welcome the opportunity to serve.

**Robert D. Howard, Chairman of the Board**  
**Edwin S. Coates, executive-director**

## Biblical Recorder

Some things change, others do not. Baptists must discern both!

The Baptist mission to the world, fulfilling the Great Commission of Christ, never changes. Baptists were born out of the concern for missions, education and benevolences. Those tasks are still with us.

The world changes around us and thus, to be true to our calling, we must adapt our methods to address this changing world.

Baptist papers in North Carolina were founded because the leadership of our state denomination learned early that one single source of news and information is needed to enlist and encourage the work of our Baptist family in world missions. That decision was made in August 1832 and the following January, Thomas Meredith published the first Baptist state paper for North Carolina.

Now, 156 years later, the *Biblical Recorder* has the same purposes as that first paper published from Edenton but times have changed and the directors of the *Recorder* have taken steps to continue the effectiveness and relevancy of it.

A year-long readership survey, conducted by Craig and Associates of Nashville, Tenn., did not reveal many surprises but it did confirm some facts which can be used to shape the paper for the decade of the '90s and prepare its ministry for the 21st century.

Baptists in the state indicated a love for and loyalty to the *Recorder*. They trust it and depend on it for reliable news and information about what Baptists are doing. For thousands of Baptists, it would be unthinkable not to have the *Recorder* in the home.

The younger generation is reading less while watching television and listening to radio more. As a result, our young people are not as informed and knowledgeable about Baptist life as we would like.

The *Recorder* has already set in motion the implementation of 10 recommendations which came out of the readership survey. Some of them will involve five to 10 years for development, such as an endowment fund to help undergird the paper financially for the future. A larger network of reporters and representatives will be developed and every effort will be made to provide church and associational pages in the *Recorder*.

The paper already devotes 60 percent of its space throughout the year to news of North Carolina Baptists, but the readership survey indicated our people want even more. They also want less Southern Baptist news and that was not surprising in view of the conflict.

A maximum effort will be made to increase circulation. The difficulty of this is recognized because we live in an age where people are reading less and church budgets are becoming increasingly tighter.

The SBC controversy has disillusioned many and dampened their enthusiasm for cooperative denominational work. The paper becomes a victim in this situation because it is the most immediate and tangible expression of denominational life and it must report what is happening, whether it is good or discouraging. Baptists must have the facts and the *Recorder* is the best single source of news and information.

The paper offers special introductory plans for presentation to all the church family. Subscriptions are available in three categories:

- Every Home Plan through the church budget
- Club Plan where four or more subscribe together
- Individual subscriptions

**Baptist State Convention:**

Elected messengers from participating churches. (Meets annually.)

---

**The General Board:**

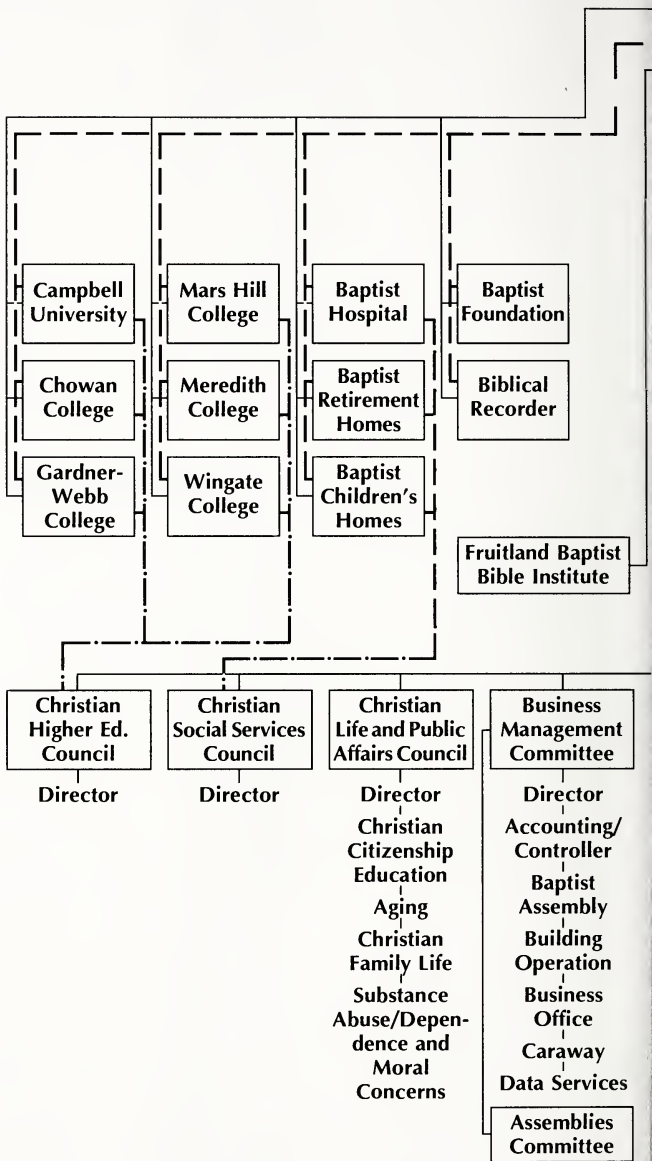

Members from each of the 79 district associations who "serve as the Convention during sessions." (Meets three times per year.)

---

**Management:**

The Convention employs the "entrusting concept by committing responsibility into the hands of committees and boards."

The Convention now relates to Wake Forest University through a fraternal relationship.

---

**Employees:**

Employed staff for institutions and agencies work under the supervision of the trustees.

Administrative Associates for Minister Support, Program Coordination, Administration and Executive Secretary of the Council on Christian Social Services, and Administrative Assistant to the Executive Director-Treasurer and Convention staff are employees of the General Board elected by the Executive Committee.

---

**Auxiliaries to Convention:**

North Carolina Woman's Missionary Union and North Carolina Baptist Men work voluntarily with the Convention.

HILL, MADDISON & BOYCE  
CERTIFIED PUBLIC ACCOUNTANTS  
RALEIGH, NORTH CAROLINA

Independent Auditor's Report

Executive Committee of the General  
Board of the Baptist State Convention  
of North Carolina

We have audited the accompanying statement of assets, liabilities, and fund balances - cash basis of the Baptist State Convention of North Carolina as of January 5, 1990, and the related statements of changes in general fund balances, receipts and transfers by fund, activity of restricted reserve funds, income and expenses of General Board and Convention, divisional summary of department income and expenses of General Board and Convention, and income, expenses, distributions, and fund balances - cash basis of the Education, Social Services Institutions, and Fruitland Baptist Bible Institute funds for the year then ended. These financial statements are the responsibility of the Convention's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform our audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, the Organization prepares its financial statements on the basis of cash receipts and disbursements. This basis is a comprehensive basis of accounting other than generally accepted accounting principles. The funds shown as sent direct on the statement of receipts and transfers by funds, were taken from reports received by the Convention and were not otherwise verified by us. Our examination as detailed by Note 2 was, in some instances, limited to recorded receipts.

In our opinion, except for the effects of the matters referred to in the preceding paragraph, the financial statements present fairly, in all material respects, the assets, liabilities, and fund balances of the Baptist State Convention of North Carolina as of January 5, 1990, and its support, revenue, and expenses, and the changes in fund balances for the year then ended, on the basis of accounting described in Note 1.

The financial information presented in Schedules 1 and 2 has been subjected to the same auditing procedures that were applied for the aforementioned financial statements. In our opinion, it is fairly presented in all material respects in relation to the financial statements taken as a whole, although it is not necessary for a fair presentation of the financial position and the results of operations of the Convention.

BAPTIST STATE CONVENTION OF NORTH CAROLINA  
Notes to Financial Statements  
January 5, 1990 and December 31, 1988

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The Convention prepares its financial statements on the cash basis of accounting. Financial transactions are controlled by a budget passed by the Convention and accounted for within budgetary accounts. Distributions of income to Southern Baptist Convention areas or accounts and other external recipients are charged to the same period as the income.

- (a) Revenue and cost recognition - Revenue and related expenses are recorded on the basis of cash receipts and disbursements; consequently, revenue and the related assets are recognized when received rather than when earned, and expenses are recognized when paid rather than when the obligation is incurred.
- (b) Inventories and prepaid expenses at year-end are recorded at cost. These amounts are not material and are recorded to conform to budget procedures. Expenditures for inventory-type items, prepaid expenses, and fixed asset outlays are recorded as expenses when charged to budgeted accounts.
- (c) Purchases of fixed assets and improvements are budgeted and charged to operating expenses. Assets are recorded at cost in the fixed assets accounts of the general fund with an offsetting fund balance account. Leasehold costs are amortized over the life of the leaseholds or extensions thereof. There is no provision for depreciation of fixed assets. Subsidiary ledgers for furniture and equipment at the Baptist Building, Caraway Baptist Conference Center and Camp and Fruitland Baptist Bible Institute have been compiled, and are being maintained on a current basis. Baptist State Convention is in the process of preparing detailed subsidiary ledgers for all its locations.
- (d) Notes and accounts receivable not involving income accruals are recorded.
- (e) Investments are recorded at cost. Earnings thereon are added to the investing fund. These earnings are applied to budgetary items upon approval of the General Board.

Notes to Financial Statements  
January 5, 1990 and December 31, 1988

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

- (f) The Convention contributes to retirement plans for its own employees and shares in the cost of plans of ministers and employees of participating Baptist churches in North Carolina. The retirement plans are administered by the Annuity Board of the Southern Baptist Convention. Required contributions by the Convention for 1989 and 1988, as determined by the Annuity Board, were \$1,585,051 and \$1,392,513, respectively.
- (g) The Convention routinely receives contributions designated for specific uses. From time to time, the Convention or General Board designates certain funds for special purposes. All designations are recorded in restricted fund accounts so that charges to the accounts can be restricted to the designated purposes.
- (h) The Convention is a tax-exempt organization and does not, therefore, have to account for income taxes.

2. FUNDS SENT DIRECT AND RECORDED RECEIPTS:

The funds shown as sent direct on the Statement of Receipts and Transfers by Fund, were taken from reports received by the Convention and were not otherwise verified by us. As a routine procedure, funds are received by the Convention business office from various departments within the Convention covering registration fees, miscellaneous sales, expense reimbursements, and other such items. Our examination of these items was limited to receipts as recorded in the business office receipts books. Our examination of receipts for the North Carolina Baptist Assembly, the Fruitland Baptist Bible Institute, and Caraway Baptist Conference Center and Camp, was limited to amounts recorded in prenumbered receipt books and did not include reconciliations to separate records of registrations, enrollments, and attendance.

3. RESTRICTED RESERVE FUNDS:

Restricted reserve fund balances as reflected by Exhibit D amount to \$2,883,988 at January 5, 1990. These funds have been reserved for specific uses due to action of the General Board and Convention, or, in some instances, due to a designation accompanying the funds upon receipt.

4. CONVENTION RESERVE:

The Convention (1976 Annual Session), recognizing the need for reserves to meet emergencies or decreased income, made provision for the establishment of a reserve fund as early as feasible. As a result the Convention Emergency Fund reserve has been set up. The fund's assets are being invested by the Baptist Foundation. The activity for 1989 was as follows:

Balance, December 31, 1988	\$ 795 980

BAPTIST STATE CONVENTION OF NORTH CAROLINA  
Notes to Financial Statements  
January 5, 1990 and December 31, 1988

10. NORTH CAROLINA BAPTIST ASSEMBLY LOAN APPROVAL:

The Convention in its November, 1986 session approved borrowing up to and not to exceed \$2,000,000 to construct a conference center and two classroom buildings at the North Carolina Baptist Assembly. On August 2, 1989 a \$500,000 loan was obtained from NCNB with 119 monthly payments of \$6,356 including interest at the rate of 8.95%. The last payment on this note is due August 2, 1999. The balance on January 5, 1990 was \$487,040.

11. CONVENTION BYLAWS:

Previous to December 31, 1986, the Fruitland Baptist Bible Institute had been under the supervision of the Missions Division. At its November, 1986 session, the Convention approved an amendment to the bylaws, stating that, effective January 1, 1987, Fruitland will be responsible to the General Board of the Convention as an agency of the Board. The operations of the Institute will be managed by a Board of Directors who are elected by and report to the General Board. In 1987, operations are reported under the divisional summary of departmental income and expense. Beginning in 1988 these operations will be scheduled separately as a part of Exhibit I.

During 1988, the General Board approved auxiliary status for the Woman's Missionary Union and the North Carolina Baptist Men. North Carolina Baptist Men was formerly Brotherhood and Baptist Men.

12. CONTINGENCIES:

By action of the General Board in 1979, the Convention is underwriting housing loans obtained from the Baptist Employees Credit Union for new Convention staff employees. The Convention is obligated to make yearly payments of principal and interest on loans up to \$5,000 for individual employees for up to a five-year period, or until the employees terminate employment. At January 5, 1990, the Convention was contingently liable on employee loan balances in the amount of \$48,000. By action of the General Board in September, 1986, the Convention has agreed to underwrite church loans extended through the North Carolina Baptist Foundation, Inc. up to a maximum of \$3,000,000 contingent upon written financial and legal documents being presented to the Executive Committee. As of January 5, 1990, the Convention was contingently liable on church loan balances in the amount of \$718,354.

13. RECLASSIFICATION:

For comparability, certain amounts in the 1988 financial statements have been reclassified, where appropriate, to conform with the financial presentation used in 1989.
